Important Information for CountrySide Residents

The CountrySide Board of Directors along with PMP are monitoring recommendations from the Centers for Disease Control and Prevention (CDC) as well as those of federal, state, and local officials regarding the global Coronavirus (COVID-19) outbreak. It is the goal of the CDC to slow the transmission of the virus in our Community and region. We are taking the following actions to prepare for and mitigate Community transmission of COVID-19:

WE ARE DOING OUR PART:

COUNTRYSIDE PROPRIETARY OFFICE RESIDENT SERVICES:

- **The Management Office** is closed to walk-in traffic but will remain open to remotely conduct business. Most services available at the Management Office are also available online. Contact information for individual staff members can be found on the website or by calling 703-430-0715.
- **Design Review Application** assistance: Contact Lisa Marnet at lisamm.cside@pmpbiz.com
- **Parkway Pool House** rental – Suspended until further notice
- **Trash/recycling services** – See article in this month's Courier regarding Changes to Service
- **Resale Packet** ordering – Go to <https://pmprent.condocerts.com/resale>.
- **Assessment payments** delivered to the office must be checks or money orders. No cash is being taken at this time.
- **Community Events** have been cancelled through May 30.
- Due to the existing National Covid – 19 Emergency, concerns about the safety of CountrySide residents and volunteers, and the requirement to limit public gatherings to fewer than 10 people, the BoD has decided to cancel all Committee meetings for the months of May.

HOW YOU CAN DO YOUR PART:

- CountrySide outdoor amenities have not and will not be cleaned for COVID-19. The CDC recommends Social Distancing to minimize the spread of the Coronavirus.
- Every individual needs to do their part to slow the spread of COVID-19. These are just some of the recommended actions you should take:
 1. **Comply** with Governor Northam's "stay at home" order as much as possible.
 2. **Wash your hands** often for 20 seconds every time. Use sanitizing gel when soap and water are not readily available.
 3. **Avoid close contact** with others, especially people who are sick. Keep a 6-foot zone of space around you. Avoid small and large group settings.
 4. **Cover your cough.** Avoid touching your eyes, nose, and mouth.
 5. **Clean and disinfect** frequently touched items.
 6. **Know the signs** and symptoms of COVID-19. If you are showing symptoms, call your doctor before seeking testing and treatment. Stay home and self-quarantine if mildly ill.
 7. **Create a household plan** in case of illness.
 8. **Educate yourself** and your family. Conditions are changing daily. Stay informed. <https://www.cdc.gov/coronavirus/2019-ncov/>

TOGETHER WE CAN DO THIS!

Conditions, concerns, and actions related to COVID-19 are changing daily. The CountrySide Board of Directors along with PMP will continue to monitor and update its actions accordingly and will provide any further updates via community mass email and on the CountrySide website.

We know this is a challenging situation and we will continue to provide the Community with relevant updates as they become available.

Stay safe, take care of yourself and your family.

Lock Your Vehicles

The Loudoun County Sheriff's Office is reminding residents to secure their vehicles and remove valuables from cars.

KEEP YOUR VEHICLE LOCKED: Most stolen items are taken from vehicles that are left unlocked.

REMOVE VISIBLE ITEMS: Remove all items from your vehicle (including garage door openers), when not in use. When you cannot do this, put the items out of sight (inside a lockable glove box or trunk). If your vehicle has an integrated garage door opener, please try to park in the garage.

Park inside the garage if available and keep the garage locked. Or try to park in a well-lit area.

The Crime Prevention Unit also encourages residents to register your valuable items with the manufacturer and document and record your property's make, model and serial numbers through "Operation Inventory," a prevention-based program intended to help curb thefts taking place in Loudoun County. Thieves often depend on citizens to not have key information about their belongings. Information such as serial numbers, make and model are key pieces of information that help law enforcement quickly identify stolen property and aid in the prosecution of the offenders.

Residents are also reminded to report any suspicious activity immediately by calling the Loudoun County Sheriff's Office non-emergency number at (703) 777-1021 or go online to SHERIFF.LOUDOUN.GOV.

Home-Based Businesses

Did You Know? You Must Register Your Home-Based Business with the Proprietary Office!

Pursuant to Resolution 262: The Operation of Business Activity within a Residence in CountrySide:

"Paragraph 1: General Standards: The Proprietary does not wish to unreasonably restrain members of the Association from establishing an ancillary professional office within their homes. To protect the residential character of CountrySide, however, the Board believes it is necessary and appropriate to establish general rules and standards regarding such use consistent with what the Association Governing Documents and applicable law provide. The overriding objective of the following policies is to protect the residential character of CountrySide at all times."

Section: Notification Process:

"Members who wish to establish a Business Activity must submit to the Managing Agent the following materials before conducting any Business Activity on a Lot:

- A fully completed and signed Notification of Business Activity Form
- A fully completed Acknowledgement of Adjacent Owners form signed by four adjacent property owners who will be most affected by the Business Activity
- Copy of a Home Occupation Permit issued by Loudoun County;
- Copies of all state and local licenses and permits required to conduct the Business Activity; and
- Copies of all Certificates of Insurance, as required by The Commonwealth of Virginia or Loudoun County, evidencing adequate insurance coverage for the home based on the Business Activity. All policies must name the Association as an additional insured and must, in the sole discretion of the Board, adequately protect the Association from liability for any occurrence on the Common Area incident to or related to the Business Activity."

Please see the entire Resolution [HERE](#). Home Based Business Registration Forms can be found on our website. If you have any questions, please contact Lisa Marnet at the Proprietary office at lisamm.cside@pmpbiz.com or call (703) 430-0715

Trash Service

NOTICE FROM REPUBLIC SERVICES

With the ongoing concerns and responses to the COVID-19 Pandemic, we have been advised by our trash service, AAA/ Republic Services, that effective Monday, April 13, 2020, the following adjustments in service will be made with concern for their crews and to maintain compliance with the social distancing requirements:

1. If a homeowner uses a Republic Services cart or a personal trash can, **all trash must be in that cart or can**. They will not pick up loose items off the ground. (Please remember that CountrySide policy is that all trash should be placed out for collection in a covered container for health and safety reasons and to keep the trash from wild animals)
2. Due to the need for multiple persons to lift many bulk items, for the safety of the crews, **all "Bulk" trash collection has been suspended for the duration of the COVID-19 pandemic emergency response period**.
3. **Yard waste** will continue to be collected but Loudoun County has requested all residents to minimize the amount of yard waste put out for collection. The full release from Loudoun County is available at the following link: <https://www.loudoun.gov/CivicAlerts.aspx?AID=5680>
4. **Recycling** collection will remain as currently scheduled.

Please note that these changes are temporary and will be lifted as soon as possible based on Federal, State and local guidance. We greatly appreciate your understanding and assistance as we move through these difficult times.

REMINDERS FROM COUNTRYSIDE PROPRIETARY

USE A TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. **Garbage, trash and other refuse shall be placed in covered containers.**"

What this means is: you MUST use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- **Brush and limbs** must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- **Tree stumps** and **tree limbs** (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- **Grass clippings and leaves** should be put in **CLEAR or PAPER** bags (no dark plastic bags) OR in a container marked "Yard Waste"

Horsepen Run Trails

ATTENTION COUNTRYSIDE RESIDENTS & GUESTS:

While enjoying Horsepen Run, CountrySide Proprietary would like to remind everyone of the CDC's guidelines for SOCIAL DISTANCING:

Maintain AT LEAST 6 feet from other persons at all times.

CountrySide Amenities

After considering public health concerns and the fact that monitoring compliance of a closure order would be very impractical, the Board of Directors have made the determination that it would be better to post notices that the amenity areas are not cleaned in response to COVID-19 and to remind all residents of the need for social distancing.

Additionally, according to area authorities, group gatherings are prohibited during the COVID-19 pandemic. These gatherings should be reported to the Loudoun County Sheriff Office non-emergency phone number 703-777-1021. It would be helpful if you can include the time of day in which this behavior is happening.

Ticks and Lyme Disease

Lyme disease is caused by bacteria that some people get after being bitten by ticks infected with an organism named *Borrelia burgdorferi*. The organism that causes Lyme Disease is maintained in wild rodents, deer, other mammals and certain ticks, most commonly the black-legged (deer) tick. It is transferred to people by the bite of an infected tick.

People of any age and in any part of Loudoun County can get Lyme disease. Infections occur throughout the year but are more common during the late spring and summer and in people who work or play outdoors. Dogs, cats and horses can also get Lyme disease.

Horse Pen Run trails are not mowed on a regular basis.

Please consider this when you choose a trail to enjoy and be sure to check for ticks afterwards.

Before you go outdoors:

1. Know where to expect ticks. Ticks live in moist and humid environments, particularly in or near wooded or grassy areas. You may come into contact with ticks during outdoor activities around your home or when walking through leaf litter or near shrubs. Always walk in the center of trails to avoid contact with ticks.
2. Products containing permethrin kill ticks. Permethrin can be used to treat boots, clothing and camping gear and remain protective through several washings.
3. Use a repellent with DEET on skin. Repellents containing 20% or more DEET can protect up to several hours. Always follow product instructions. Parents should apply this product to their children, avoiding the hands, eyes, and mouth. For detailed information about using DEET on children, see recommendations from the American Academy of Pediatrics.

For more information to stop ticks, visit the CDC website at www.cdc.gov/Features/StopTicks/

Trail Etiquette for Bicycling

Recreational paths and trails have become quite popular. As a result, trails can become very congested and safety is a major issue. Whether bicycling, walking, or jogging, following the same rules as everyone else will help you have a safer, more enjoyable time.

Trails have engineering and design limitations that require you to ride differently than you would on the road. If your preferred speed or style of cycling is inappropriate for trails, look for better suited alternative routes.

- **Be Courteous:** All trail users, including bicyclists, joggers, and wheelchair users, should be respectful of other users, regardless of their mode of travel, speed, or skill level.
- **Give an Audible Signal When Passing:** Give a clear signal when passing. This signal may be a bell, horn, or voice. Warn in advance so that you have time to maneuver if necessary. "Passing on your left" is the most common signal used to alert other users of your approach.
- **Keep Right:** Stay as close to the right side of the trail as is safe, except when passing another user.
- **Pass on Left:** Pass others who are going your direction on their left. Look ahead and behind to make sure the lane is clear before pulling out. Pass with ample separation. Do not move back to the right until safely past. Fast-moving users are responsible for yielding to slower moving users.
- **Clean up Litter:** Do not leave any debris along the trail. If you drop something, please pick it up and carry it until you find a litter receptacle. Go the extra mile—pack out more trash than you bring in.

Thank You, Colman Family!

The Colman Family spent time on one of their walks to pick up trash around CountrySide. They got one whole bag of recycling and another of trash.

We appreciate their efforts!

If you have done the same, let us know!

Send a photo to Loretta deLamare at lorettad.cside@pmpbiz.com.

Foxfield Street Paving Coming Soon

ATTENTION FOXFIELD TOWNHOUSE RESIDENTS

The Board of Directors included a project in the 2020 budget to continue the 5-year repair plan for the asphalt pavement in the streets and parking areas of all the townhouse neighborhoods. This repair plan was established after a professional engineering review of the streets and is being performed to ensure we get the maximum life out of the community's most expensive asset.

This 5-year project is a major undertaking for the community and we will make every attempt to minimize disruption to you, our residents. However, due to the nature of the work involved, this project will require that all vehicles be removed from the areas being serviced on a rotating basis. This will require residents to park in alternate locations while work is being performed on their individual streets.

The earlier phases of this work have taken place over the past five years on the streets determined to have been in the worst condition and this year's work will take place on the following streets:

**Asbury Way
Bickel Court
Devon Court
Dorrell Court
Fairmont Court
Southall Court**

Residents on the affected streets have noticed numerous painted markings on these streets that denote the areas where significant deterioration has occurred. We are currently gearing up to award this project and anticipate that activity will be taking place this Summer..

We are providing this notice to all residents to keep you advised of the upcoming plan.

We ask that all residents on these affected streets ensure that the Proprietary Office has a current and valid e-mail address for your property.

We will be using these e-mails to send schedule notifications and will also be posting future information in the Courier and CountrySide website (www.CountrySide-va.org) but e-mails will be the most timely method of notification.

Please stay tuned over the coming months as more details regarding the schedule and scope of these services comes available.

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.

Selling your home?

WHAT YOU NEED TO KNOW

You will need to purchase a POA package.

Virginia Property Owner's Act (Contract disclosure statement; right of cancellation).

A. Subject to the provisions of Article 2 of 55-509, a person selling a lot shall disclose in the contract that (i) the lot is located within a development which is subject to the Virginia Property Owner's Association Act; (ii) the Act requires the seller to obtain from the property owners' association an association disclosure packet and provide it to the purchaser.....

When the Proprietary receives an order for a POA packet it initiates a physical inspection of the entire property. The inspection of exterior maintenance items includes peeling paint, algae on siding, broken window seals, wood rot, fences in need of repair, etc.

In addition, exterior modifications/enhancements are noted and checked for approval. If you haven't done so already, please ensure that you have submitted an application for those exterior modifications. An application with a violation disclosed upon a POA inspection may request a "non-standard rush review" (less than 15 days). There will be a fee of \$25.00 for this out-of-cycle, expedited review. This fee is not a commitment for approval.

Selling a home can be stressful enough so ensuring the exterior of your home is in tip top shape and you have applied for and been approved for any exterior modifications before you list will make the selling process much smoother.

CountrySide and PMP have partnered with CondoCerts to provide user-friendly POA document delivery to the homeowner. You can track your package's progress and receive documents electronically or get a paper copy. Payment can be made at the time of order or taken out at closing. Prices vary.

Ready to order a POA package? Go to <https://pmprent.condocerts.com/resale> to order. Simply register, place your order and your documents will be processed.

Questions?? Call Alicia McKenna-Graves at CountrySide Proprietary for more informaton. (703)430-0715.

WESTWICK CT VILLAS: Please contact <https://pmprent.condocerts.com/resale> and select the package for "The Villas."
