Parking Updates

The effective date of the Revised Resolution 233 has been delayed until October 1, 2024; however, the previous version of Resolution 233 will remain in place. As a reminder, this means that:

- **Use of visitor parking spaces is for visitors, and residents who park a vehicle in a visitor spot in the same neighborhood on any street three (3) times in any thirty (30) day time period is prohibited, and is subject to be towed after being issued a warning sticker.**

Additionally, the revised Resolution 234 will be in effect, which means that:

- **Commercial vehicles are still prohibited to be parked overnight on a townhouse street and will be issued a warning sticker that gives 1 day/24 hours' notice before the vehicle is subject to be towed.**

Both Resolutions are currently in place and will be enforced.

On April 6, 2024, [please consider volunteering for “Scrape for the Grape.”](#) a low-impact day of community service whereby residents from around Loudoun County join together to help our wineries and farmers address an invasive species issue that is affecting their livelihood. The invasive Spotted Lanternfly (SLF) is first drawn to areas by the invasive Tree of Heaven (both the bug and the tree are originally from Asia), and then it moves on to grapevines and orchards, threatening the crops.

Residents will meet up at 8 locations throughout the County where there are known SLF issues, “scrape” SLF egg masses before they hatch with provided scrapers, and tag Tree of Heaven for future removal. The event runs from 10am-2pm Saturday, April the 6th.

The [Loudoun Invasive Removal Alliance \(LIRA\)](#), of which CountrySide is a proud member, along with 36 other Loudoun HOAs, is partnering with [Visit Loudoun](#), [Loudoun Wine and Wine Growers Association](#) and [Virginia Cooperative Extension](#) to take action.

The event serves several purposes: 1) create awareness about the growing issue of invasive species in our county; 2) bring residents together in force to support our wineries; and 3) to provide a fun environment for Loudoun residents, families and friends to give back to our community.

Scrape the Grape: April 6, 2024, 10am to 2pm

Weekend of Appreciation: April 6-7, 2024: To thank you for your efforts, Loudoun wineries will show their appreciation through special deals and promotions for all volunteers. All you need to do is bring in your “Scrape for the Grape” branded bandana or scrape card and you will be welcomed, thanked and shown appreciation at Loudoun wineries throughout the weekend.

[Sign up today for Scrape for the Grape!](#)

When you register, you can elect where in Loudoun you’d like to volunteer ((right now central (Leesburg), western (Bluemont), and southern (Aldie) Loudoun are potential locations)). Families welcome!

Partial Eclipse of the Sun Visible from CountrySide April 8, 2024

Contributed by Jeff Kretsch, Resident from Oakridge

On Monday, April 8th the moon will pass in front of the sun starting just after 2 PM with maximum coverage of almost 85% at 3:20 PM and then ending around 4:30 PM. Remember do not look at the sun without proper eye protection such as NASA approved eclipse eye glasses. This goes double for looking through any telescope or binoculars. Proper means include use of mylar reflective filters, telescopes with proper white light filters, projection methods, see [How to View a Solar Eclipse Safely | Solar Eclipse Across America \(aas.org\)](#).

A few years ago I held a session for a partial eclipse on the toboggan hill near Parkway Pool, but this year I will be travelling to where the moon will totally eclipse the sun, as will many other amateur astronomers. But those still here can view it, you will notice a distinct darkening during maximum. But it will be nothing like a total eclipse when all the sun is covered and stars and planets come out.

Further information can be found at these sites: [Eclipse Path of Total Solar Eclipse on April 8, 2024 \(timeanddate.com\)](#)
[Solar eclipse of April 8, 2024 - Wikipedia](#)

The next total eclipse of the sun in the contiguous United States will be August 23, 2044. To see the total eclipse on April 8th instead of the partial here one will have to travel west to the path, the closest is in western Pennsylvania or eastern Ohio.

Join the CountrySide Waves and Ripples Swim Team!

Summer is coming! Pool safety is a common concern for all parents. As a CountrySide resident, you have excellent options available to prepare your children for a safe summer at the pool while having fun competing as part of our community swim team!

THE COUNTRYSIDE RIPPLES:

This program is for 5-8 year-olds who aspire to swim along with the older Waves swimmers, but are just beginning their competitive swimming careers, and require a little extra attention in their workouts. Ripples swimmers:

- Must be ready and willing to learn to swim freestyle and backstroke.
- Need to be able to leave their parent and enter the water with the coaches.
- Must be comfortable in the water and in entering the water where they cannot stand.
 - Must be able to submerge his/her face in the water and blow bubbles and float unassisted on front and back.
- Don't yet need to be able to swim a full length of the pool (25 meters) in a recognizable stroke.

Ripples practices will be weekday mornings starting June 17 and continue through late July. Prior to the season, evaluations will be conducted to determine into which group your child will be placed. More information regarding assessments will be available as the season gets closer.

THE COUNTRYSIDE WAVES SWIM TEAM:

This program is for experienced swimmers, ages 5 to 18, who are interested in swimming competitively. The team is a member of the Colonial Swim League which includes teams throughout Northern Virginia. We compete in four major swim strokes: freestyle, backstroke, breaststroke and butterfly. Swimmers must be able to swim freestyle and backstroke to join the Waves Swim Team. Our regular season begins immediately following Memorial Day on May 28 and ends in late July.

The CountrySide Waves Swim Team has been developing outstanding competitive swimmers for years. We are committed to providing a safe, nurturing program for swimmers of all levels. We hope you will consider one of our two outstanding programs for your children this summer.

Online registration will open in early April at www.countrysidewaves.org

Sponsorships of all levels are available! Support our neighborhood swim team and reach hundreds of local swimmers and their families by sponsoring the CountrySide Waves! Email cswavesct@gmail.com to request sponsorship information.

Learn to swim with the CountrySide Tides Swim Lesson Program!

CountrySide Tides Swim Lessons are for children from infant through 12 years old who want to learn to swim. Our lessons are based on the Red Cross Learn to Swim program. Safety is our main concern. We teach the students how to safely have fun in the water along with basic swimming instruction, floating and water treading skills. Classes are available for children as young as infants, with parental assistance, through 12 year olds.

Course levels range from introduction to water to Elementary Level 4 classes. Sessions meet twice a week for 3 weeks. Swim lesson instructors include CountrySide Waves Swim Team coaches along with some of our best, current and graduated swimmers and CountrySide residents.

All CountrySide residents in good standing are welcome to participate in our swim lessons. Non-resident children are welcome when they attend as a guest of a CountrySide resident. Guests must arrive at the pool with their hosting resident and all residents must show a current CountrySide amenities pass to enter the pool area.

Online Registration for Session 1 and/or Session 2 opens **Wednesday May 1, 2024**

Session 1 June 17 – July 5

Session 2 July 8 – July 26

Please go www.countrysidewaves.org and click on 'Tide Swim Lessons' to view class days/times and to register. If you are unsure what class level to sign your child up for, please make your best guess. We will switch kids around the first week of classes depending on ability.

Spring Native Plant Sale at Morven Park

April 13 @ 9:00 am - 3:00 pm

Native plants add beauty and interest to your garden year round and provide important habitat for wildlife. Loudoun Wildlife Conservancy's Native Plant Sale is the place to buy spring-blooming flowers, vines, trees, shrubs and ferns from four local native plant nurseries: Hill House Farm & Nursery, Nature By Design, Seven Bends Nursery and Watermark Woods.

The sale takes place at Morven Park's visitor parking lot (access via main entrance on Old Waterford Road) in Leesburg, VA. Each of the nursery owners are on hand to provide expert advice, along with knowledgeable volunteers from Loudoun Wildlife Conservancy. The sale runs from 9 a.m. to 3 p.m. If you have boxes for carrying your plants, please bring them. If you have extra boxes, bring them for others to use.

Community groups including the Loudoun County Master Gardeners and Virginia Master Naturalists participate in the event, sharing information on their programs and how to support local wildlife with native plants. The sale also provides an opportunity to learn more about Loudoun Wildlife Conservancy's programs. LWC's "Wild Shop" offers books and other merchandise for sale.

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

**THE BEST TIPS FOR YOU
PARKING IN
COUNTRYSIDE**

Townhouse Parking

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to any vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call AI's Towing & Storage, but we will!

THANK YOU

Use Your Assigned Spot

Homeowners are able to call AI's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

Yard waste in plastic bags will not be collected

Wood waste: Cut into 4-foot lengths & bundle

Per Republic Services: "If the contractor misses a stop, the contractor will go back and make that pick up that same day when reported to the contractor by 3:00 p.m. If after 3:00 p.m., then the pick up will occur the very next Contractor's business day." **Please report missed collections to**

Trash & Yard Waste Reminders

USE A COVERED TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
