2025 Annual Inspections

At the request of your Board of Directors, members of the CountrySide Proprietary staff will be conducting the Annual Inspection of all CountrySide neighborhoods.

The inspection is performed with the intent of ensuring that the curbside appeal of the community is preserved.

The physical property inspections will commence during the month of April and we will be noting any repairs that need to be completed on the home and the general appearance of the property.

Some of the things found in need of exterior maintenance are listed but not limited to:

- wood rot on building exteriors
- fencing or sheds in need of repair
- damaged or missing roof shingles
- landscaping in need of attention
- building exterior in need of painting
- algae on building exteriors
- windows in need of repair or replacement
- unapproved architectural modifications
- driveways in need of repair and resurfacing
- decks in need of repair

Why Do We Have Annual Inspections?

At the beginning of each New Year, we all make resolutions to ourselves. Whether the promise is to lose weight, save more money, pay off debt, or look for another job, our determination, focus and commitment will make that resolution come true.

The Board of Directors wants to make the following promise to CountrySide Residents: Our Annual Inspections of your home will be the highest priority and our resolution in 2025.

WHY? Because CountrySide is a well-established community and most of our homes are at least 30 years old. It is time for us to take a good look at our homes and determine what needs to be fixed, painted or replaced.

We all want the highest appreciation of our home when it comes time to sell and want our neighborhood to be attractive for new buyers.

The Board of Directors would suggest that new buyers gather several impressions when in the market for a new home. As they drive into CountrySide via CountrySide Blvd. or Algonkian, our common areas are evaluated, and the trees, grass and trails create the first impression.

As they continue to drive to the home they are considering, the neighborhood is evaluated. Do the homes, common areas and amenities appear clean and well maintained? This is the second impression. Evaluation of the specific home is the final thing they consider.

The Board of Directors asks for your support and understanding during the Annual Inspection process. We all benefit as we improve our homes.

Join the CountrySide Waves and Ripples Swim Team!

Summer is coming! Pool safety is a common concern for all parents. As a CountrySide resident, you have excellent options available to prepare your children for a safe summer at the pool while having fun competing as part of our community swim team! Please note: Registration is only open to CountrySide residents in good standing.

THE COUNTRYSIDE RIPPLES:

This program is for 5-8 year-olds who aspire to swim along with the older Waves swimmers, but are just beginning their competitive swimming careers, and require a little extra attention in their workouts. Ripples swimmers:

- Must be ready and willing to learn to swim freestyle and backstroke.
- Need to be able to leave their parent and enter the water with the coaches.
- Must be comfortable in the water and in entering the water where they cannot stand.
- Must be able to submerge his/her face in the water and blow bubbles and float unassisted on front and back.
- Don't yet need to be able to swim a full length of the pool (25 meters) in a recognizable stroke.

Ripples practices will be weekday mornings starting June 16 and continue through late July. Prior to the season, evaluations will be conducted to determine into which group your child will be placed. More information regarding assessments will be available as the season gets closer.

THE COUNTRYSIDE WAVES SWIM TEAM:

This program is for experienced swimmers, ages 5 to 18, who are interested in swimming competitively. The team is a member of the Colonial Swim League which includes teams throughout Northern Virginia. We compete in four major swim strokes: freestyle, backstroke, breaststroke and butterfly. Swimmers must be able to swim freestyle and backstroke to join the Waves Swim Team. Our regular season begins immediately following Memorial Day on May 27 and ends in late July. (Practices are after school until June 13, then transition to morning practices.)

The CountrySide Waves Swim Team has been developing outstanding competitive swimmers for years. We are committed to providing a safe, nurturing program for swimmers of all levels. We hope you will consider one of our two outstanding programs for your children this summer.

Online registration will open in early April at www.countrysidewaves.org

Sponsorships of all levels are available! Support our neighborhood swim team and reach hundreds of local swimmers and their families by sponsoring the CountrySide Waves! Email cswavesct@gmail.com to request sponsorship information.

**Learn to swim with the
CountrySide Tides
Swim Lesson Program!**

CountrySide Tides Swim Lessons are for children from infant through 12 years old who want to learn to swim. Our lessons are based on the Red Cross Learn to Swim program. Safety is our main concern. We teach the students how to safely have fun in the water along with basic swimming instruction, floating and water treading skills. Classes are available for children as young as infants, with parental assistance, through 12 year olds.

Course levels range from introduction to water to Elementary Level 4 classes. Sessions meet twice a week for 3 weeks. Swim lesson instructors include CountrySide Waves Swim Team coaches along with some of our best, current and graduated swimmers and CountrySide residents.

All CountrySide residents in good standing are welcome to participate in our swim lessons.

Online Registration for Session 1 and/or Session 2 opens **Monday, May 5, 2025**

Session 1 June 16 – July 4

Session 2 July 7 – July 25

Please go www.countrysidewaves.org and click on 'Tide Swim Lessons' to view class days/times and to register. If you are unsure what class level to sign your child up for, please make your best guess. We will switch kids around the first week of classes depending on ability.

Sell Your Home for Only 4% Total Commission

By Law, realtor commission rates are negotiable. You DO NOT have to pay a 6% commission to sell your home! If your home is worth \$500,000, a 6% commission is \$30,000!

Even if you are not thinking of selling now, realize at some point in the future, you will sell your home. At that point, you will be scrambling around trying to remember the name of that realtor from RE/MAX that sells houses for only 4%. Write down my name and phone number and keep it on your refrigerator or somewhere handy.

Call Kelly Jones at 703-585-5057 whenever you are ready to sell your home and I will honor this 4% commission rate.

Commissions may be negotiable and are not set by law.

If you have a friend, neighbor or family member who is thinking about selling their Sterling home, you could help them put \$10,000 or more in their pockets too when they sell. Pass along my name & number to them ... **EVERYBODY could use an extra \$10,000!**

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

**THE BEST TIPS FOR YOU
PARKING IN
COUNTRYSIDE**

Townhouse Parking

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to any vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call AI's Towing & Storage, but we will!

THANK YOU

Use Your Assigned Spot

Homeowners are able to call AI's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
