Supervisors Approve Ordinance to Curb Bamboo Spread

Supervisors this week adopted a new ordinance requiring property owners to keep running bamboo plants from spreading onto neighboring parcels.

[Click here to access the article.](#)

Action is required if you have running bamboo on your property.

Countryside Proprietary has spent thousands of dollars on bamboo removal, both from its Grounds budget and through grants from Loudoun County. This new legislation helps tackle the problem where it often starts—the spread from private property—and provides for fines to be imposed against homeowners who do not comply. If a homeowner has three confirmed violations within 24 months, the homeowner may be charged with a Class 4 misdemeanor.

Please learn to recognize and properly manage running bamboo on your property!

Attention, Countryside Residents!

The Loudoun Invasive Removal Alliance, or LIRA (<https://www.loudouninvasives.com/>), is committed to protecting Loudoun County from the adverse effects of invasive plant species. As part of their mission, they offer training, such as the workshop described below.

The CountrySide Grounds Committee has recently become aware of several Tree of Heaven stands in our community, along with the expected infestations of spotted lantern flies. We'll be discussing how to best tackle this issue, as our budget for invasives removal will only stretch so far. However, educating our residents on how to recognize invasive species and how to help stop their spread will increase our chances of success.

Please study the pictures below; if you identify a Tree of Heaven on CountrySide common area, please report the exact location to Tim Pope, Grounds and Facilities Manager at timjp.cside@pmpbiz.com. Tim will track these reports for the Grounds Committee to address, as budget funds permit. And please consider learning more about invasives removal through workshops like the one below. You can also read more about our shared responsibilities for battling spotted lantern flies on Loudoun County's websites:

<https://www.loudoun.gov/spottedlanternfly>
and
<https://www.loudoun.gov/5765/Spotted-Lanternfly-Management>.

Please help defend CountrySide from these unwelcome plants and insects!

The Potomac Station Community Association's Open Space Committee, in partnership with Wetland Studies and Solutions Inc., is hosting a training workshop on Sunday, June 8th from 9 AM to 12 PM to help residents identify and remove invasive species, including the Tree of Heaven and Japanese Honeysuckle.

The workshop will be held near the tot lot across from 19004 Panther Court and will teach participants how to spot and safely remove these species.

If you are interested in participating please complete the registration form found by [clicking here](#).

CountrySide Digital Pool Pass FAQs

1) How Do I Apply for my Digital Pool Pass?

A primary household user will apply, and then once approved, they can add additional family members.

There are currently **two (2)** ways to apply for your digital pool pass. Please pick the one that is the most convenient for you:

A. On Your Computer or Phone Web Browser By Visiting:

<https://countryside.mokopass.com/>

(There is an app that can be downloaded from the app store, however, the app isn't fully "live" yet and if a resident tries to sign up in the app, it locks up the system and takes 24-48 hours to reset the account)

1. Click on the "Sign Up" link at the bottom, right of the homescreen.
2. Enter your contact information and press the "Sign Up" button.
3. You will receive a verification request to the email address you provided.
4. Go to your email and click "Verify".
5. Once you have verified your email, sign in to your account (either through the original login screen or via the "Continue" button on the email verification screen). Depending on your browser, a "Tour" icon may appear to provide guidance on the app, including how to upload your photo.
6. If using the "Tour", please wait for the "Edit" icon (a square with a pencil) to appear to upload your photo. You will be able to recenter/resize your photo in a later step.
7. If you are editing your profile, click on the "Edit" pencil at the upper right of the Photo circle to upload your picture.
 - i. Picture must be clear, up-close photo of individual resident (no group photos or pets; no hats, sunglasses, face masks, etc.)**
8. Enter your contact information.
9. Click Submit.
10. At this point, your application is complete. If approved, you will either receive immediate verification telling you your account is approved, or you will receive an approval notification to the email address you provided with next steps to access your pool pass account. If you are not approved, you will receive an email to the email address you provided listing what additional steps you must complete to be approved.
11. To enter additional family members, please see Section 4 below.

B. By Visiting Your HOA Office:

Not comfortable registering on your phone or online? No problem. You can still register in person by visiting your HOA office at: **21515 Ridgetop Cir, Ste 280**,

Sterling VA., Monday – Friday from 9 AM – 4 PM. When visiting your HOA office, please make sure you bring your required documentation as outlined below.

2) What Documentation Will I Need to Register?

The documents you will need for registration will depend on whether you are a Homeowner or Home Renter. Please see the required documentation for each type of registrant:

A) Homeowners: Your contact information (including photos for ALL household members age 2 and older).

B) Home Renters: Proof of Address and photos for ALL household members who will be registered. A copy of your current lease must be on file with the PMP office, and the property owner will need to have submitted the “Residential Occupancy Form” authorizing the tenant(s) to use CountrySide amenities. The property owner will also need to pay the \$50 rental registration fee to use the amenities.

3) What Are Reasons My Application May Not Be Approved?

Should your application be denied, please contact your HOA manager to learn more. Applications may be denied if you do not submit your proper documentation, if you have outstanding violations, or if your HOA dues are delinquent.

4) How Do I Register Additional Family/Household Members?

After your application has been approved, you will receive an invitation to login to your account. This invitation will be emailed to the email address you provided during registration. Please be aware that registration is limited to the number of members in your household listed on the Amenities Registration Form on file with the CountrySide Proprietary office. Requests for new registrations will be validated against those Proprietary records. **If you need to add more than four (4) family members, please contact the Proprietary office for assistance.**

Seasonal Guest passes, which are issued to one specific individual, can be purchased from the Proprietary office for \$100 annually. Guests must be accompanied by a sponsoring/host CountrySide resident.

8) What Do I Need to Present to Lifeguards To Enter the Pool?

To enter the Pool, simply provide your name or address to the lifeguard at the pool check-in desk. He/she will check your photo, make sure that you have been validated and then check you in. You do not need to bring a phone, hard copy pool pass or photo ID to enter. **You must be pre-registered on the MOKO app to gain admittance to the pools. If you wish to enter the pools and are NOT pre-registered on the MOKO app, you will need to purchase a Guest Pass for each person who wishes to use the pool.**

9) Please Note: By entering the pools, you are agreeing to the Pool Rules and Regulations, as approved by the Board of Directors. A copy of the current Pool Rules and Regulations can be viewed online, both on the CountrySide website and via the MOKOapp.

10) Please note that the lifeguards and pool management staff do not have the authority to override your status on the MOKO app if you are denied entrance to the pools. You must resolve any discrepancies or disputes with the Management Agent (PMP) for CountrySide Proprietary during regular business hours.

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

These rules exist to promote safety, good order, and discipline at CountrySide's swimming pools to maximize the enjoyment of our pools by CountrySide residents. They are rules and regulations and should be supplemented with common *sense* and *courtesy*. Misconduct will not be tolerated and will most likely result in suspension of pool privileges. These rules apply to all CountrySide residents and their guests attending any of CountrySide's three pools (Cromwell, Lindenwood, or Parkway). CountrySide has retained American Pool Management to provide our pool management and lifeguard services for 2025.

While many consider the lifeguards to be the first line of safety defense, the truth is that you as a pool user are the first line of defense. Parents are ultimately responsible for the *safety* and *behavior* of their children whether they accompany their children to the pools or not. Residents are responsible for the behavior of their guests. If pool patrons (residents or guests) violate these rules or engage in unsafe behavior, the lifeguards are granted the authority to enforce the rules accordingly.

If a patron observes rude behavior, unsafe activity, or feels that good order and discipline are being compromised, they should bring it to the attention of the pool management staff. Members and staff are also encouraged to submit a written *Incident Report* to the CountrySide Proprietary. Forms are available at the pools and on the CountrySide Proprietary website (<http://www.countryside-va.org>).

Note: English and Spanish versions of the pool rules are available at the Proprietary office, at each pool, and on our website.

5. Please note that the lifeguards and pool management staff do not have the authority to override your status on the MOKO app if you are denied entrance to the pools. You must resolve any discrepancies or disputes with the Management Agent (PMP) for CountrySide Proprietary during regular business hours.

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

4. A guest who is not in swim attire and does not plan to utilize the pool may accompany a Member or CountrySide Resident into the pool without purchasing a guest pass.
5. No guest pass is required for non-swimmers.
6. Residents are responsible for the behavior of their guests at all times.

III ADMISSIONS POLICY

1. **The Proprietary is concerned about the safety and wellbeing of all pool patrons. We request that all non-swimming guests plan to be accompanied by a responsible party or other persons to provide assistance.**
2. To enter the pool, simply provide your name or address to the lifeguard at the pool check-in desk. He/she will check your photo, make sure that you have been validated and then check you in. You do not need to bring a phone, hard copy pool pass or photo ID to enter. You must be pre-registered on the MOKO app (Digital Pool Pass) to gain admittance to the pools. If you wish to enter the pools and are NOT pre-registered on the MOKO app, you will need to purchase a guest pass for each person who wishes to use the pool.
3. Children eleven (11) years of age and under must be accompanied by and be directly supervised by a responsible party at least 15 years of age while in the pool area.
4. Pool staff shall direct the Members' attention to these policies and procedures, which shall be posted in public view at all times. Complaints should be referred to the Proprietary office staff.
5. Guests intending to use the pool facilities will only be admitted when accompanied by a CountrySide Resident and upon surrendering a guest pass to the lobby attendant. In the event of same day re-admittance of a guest, the lobby attendants must initial the returned guest pass.
6. No pets or animals of any kind are allowed within the pool enclosures, other than approved assistance animals.
7. Swim privileges may be refused to all persons with colds, coughs, inflamed eyes, severe infections, nasal discharge, or anyone wearing bandages; refusal of privileges is at the discretion of the pool management personnel.
8. People who are creating any disturbance or suspected of being impaired or under the influence of alcohol or any substance shall be asked to leave the pool premises. In such instances, the judgment of the pool management personnel prevails.

IV GENERAL RULES AND PRACTICES

1. The on-duty Pool Manager/Operator shall be the final on-site authority to interpret these operating policies and procedures. The Pool Manager may take any action he or she feels is necessary to preserve the health and safety of the pool patrons and to preserve peace and dignity at the pool facility.
2. The pool management staff (i.e., lifeguards) are empowered by the CountrySide Facilities Committee to enforce these rules at CountrySide's swimming pools. This means that in the pool staff's judgment, serious offenses may warrant a directive to leave the pool area. Such action shall necessitate that the Pool Manager submit a written ***Incident Report*** (with the amenities pass attached) to the CountrySide Facilities Committee via the Proprietary office.
3. The 2025 pool rules and regulations will continue the policy of ***"Zero Tolerance"*** to remedy instances of severe misconduct at any of our three pools this season. ***"Zero Tolerance"***

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

means that any misconduct or disregard of the set policies will not be tolerated. The Pool Manager will document infractions on an ***Incident Report*** form describing the nature of the incident and the individuals involved, including the lifeguard, and may also, at his or her discretion, include the names of witnesses if necessary. Any violators are subject to immediate suspension of privileges throughout CountrySide facilities. The Facilities Committee administers the “**Zero Tolerance**” policy. They will adjudicate “**Zero Tolerance**” issues and make recommendations to the CountrySide Board of Directors to suspend pool privileges of any individual who represents a hazard to the safety of themselves or others, or a disturbance to the family-friendly atmosphere at CountrySide pools.

4. Minor infractions, such as running, pushing, or rough play will not be permitted anywhere in the pool enclosure. Lifeguard's judgment prevails. In the event a second warning becomes necessary, the offender will be required to take a 15-minute break. Should a third warning become necessary, the Pool Manager is authorized to suspend the member's pool privileges for up to 72 hours. Pool Managers are authorized to temporarily suspend the member's amenities pass and evict the offender provided that a written Incident Report is submitted to the CountrySide Proprietary Facilities Committee.
5. **All persons shall use the pool facilities at their own risk.** The CountrySide Proprietary assumes no responsibility for any accident or injury neither in connection with such use nor for any use and/or damages to personal property.
6. No rough play or dangerous activity will be allowed. Cursing, insults, foul language, inappropriate gestures, and rudeness are not acceptable in any public facility – especially when children are present. Courtesy is encouraged. Members are also free to complete a written complaint form addressed to the CountrySide Proprietary Facilities Committee for review and further action. The forms are available at the pools and on the CountrySide Proprietary website (www.countryside-va.org). The Facilities Committee shall review all Incident Reports. In those instances where suspension of privileges is deemed appropriate, the Facilities Committee may forward their recommendations to the CountrySide Board of Directors for final determination.
7. CountrySide Members and Residents are responsible for the actions of the residents of their household.
8. CountrySide Members and Residents are responsible for the actions of their guests.
9. Damage to pool property will result in the individual involved being denied use of the pool until the CountrySide Proprietary Facilities Committee has resolved the matter to its satisfaction.
10. All persons shall immediately obey the instructions and respect the judgment of the lifeguards and/or Pool Manager. Disputes shall be filed, in writing, with the CountrySide Proprietary Facilities Committee.
11. The pool management staff are responsible for the pool area safety and discipline. As such they are authorized to rule on situations and enforce all rules of safety. All pool management staff have the authority to evict patrons who fail to comply with these rules and regulations. In that event, a written ***Incident Report*** shall be completed by the Pool Manager and submitted to the Facilities Committee (see “**Zero Tolerance**” under #3 of GENERAL RULES AND PRACTICES section).
12. Situations not specifically covered by these rules and regulations may be acted upon by the Facilities Committee to provide clarification to the members. The Facilities Committee is empowered to amend, add, or delete rules for the benefit of the general membership.
13. Standing jumps will be permitted in 3 feet of water or greater. No diving is permitted in less than 8 feet of water (i.e., you may only dive into a diving well at Cromwell or Lindenwood).

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

One exception to this rule is that competition swim team members may dive during officially sanctioned events (to accommodate and train for race starts).

14. No excessive splashing or games of "tag" are permitted in the water at any time. Lifeguard's judgment shall prevail.
15. Only "nerf" and "beach-type" balls will be permitted.
16. Non-U.S.C.G. approved flotation devices are discouraged but allowed at user's risk. Use of devices such as "water wings" requires direct parental supervision at all times.
17. Breastfeeding is allowed at all CountrySide pools.
18. Pool Operating Hours will be strictly enforced; all patrons must exit the pool house at or before closing time.

V SWIM ATTIRE POLICY

1. Street clothing is permitted in the deck area provided the person does not enter the pool and remains no closer than 5 feet from the water's edge.
2. All persons will shower and be attired in proper swimwear prior to entering the water. "Cut Offs" and/or any other article of clothing which may prove hazardous to the pumps and filters are prohibited.
3. Persons not toilet trained or who are incontinent must either wear a swim diaper or a cloth diaper, rubber pants and a swimsuit to comply with health department requirements and to inhibit drain clogging from any materials. Disposable diapers are prohibited.
4. Swim goggles are permitted and are recommended in lieu of regular eyeglasses or sunglasses in the pool.

VI WEATHER POLICY

1. Water is conductive. Patrons must leave the pool immediately following the observance of thunder or lightning.
2. The entire facility (pool, deck/grass, and pool house) will remain closed for 45 minutes following every instance of thunder/lightning.
3. Residents may choose to wait in the safety of their car or another area outside the facility until the lifeguards give the "all clear" signal and the pool reopens.
4. The pool management staff, in its sole and absolute discretion, may order the closing of pool due to inclement weather or other conditions that may cause a risk to the health and safety of the patrons using the pool.

VII CONSUMPTION OF FOOD AND BEVERAGES

1. The pool snack bar will be open only during the 10-minute rest break (see below for schedule). The snack bar typically carries a limited assortment of drinks and ice cream for purchase by pool patrons. There is also a water fountain available for patrons while the snack bar is closed.
2. Patrons may also bring their own food and drink to the pools as long as they comply with the following rules:
 - a. No glass containers are permitted within the pool enclosure – ONLY paper or plastic containers are safe within the pool enclosure.
 - b. No alcoholic beverages are permitted in the clubhouses or within the pool enclosure.
 - c. No drugs of any type are permitted.
3. In accordance with Loudoun County Swimming Pool Ordinance, Section 838.37, neither eating nor drinking is allowed on the pool deck. Eating and drinking activities are confined

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

to the grass areas only. Smoking is **prohibited** within all CountrySide Pool Facilities and within 25 feet of the front entrance. This includes conventional cigarettes AND ALL e-cigarettes (JUUL, vaping, etc.)

VIII BREAK TIME FOR LAP SWIM/WATER WALKING/OVERCROWDING

1. A ten-minute period is to be observed every hour for lap swimming or water walking exclusively, meaning only people actively swimming laps or water walking are allowed in the pool during that time. The lifeguard will blow the whistle to begin the break at 50 minutes past the hour and blow the whistle to resume swimming on the hour. The exception to this is the final hour of operations; the pool shall not close 10 minutes before the hour, it will close on the hour. Lap swim and/or water walking may occur until the end of the last hour. All patrons must exit the pool facility at or before closing time.
2. If in the view of the Pool Manager, the number of people in the pool presents an unsafe situation, the manager may call a break time for all individuals in the pool in excess of the standard ten-minute break time procedures outlined in No. 1 above.
3. In the event of overcrowded conditions, as determined by the Pool Manager, the manager may instruct the lobby attendant to direct any member/guest arrivals to a less crowded pool facility.

IX DIVING BOARDS & WATER SLIDES AT CROMWELL & LINDENWOOD

1. At any time, if there are patrons using the diving board or slides while there are other swimming patrons in the pool, there must be a second lifeguard on duty either in a chair or on the deck to monitor the activity at the deep end of the pool. NO EXCEPTIONS!
2. Only one person at a time is allowed on the diving board or any individual slide.
3. Only those individuals who are strong swimmers may use the diving boards. Lifeguard staff may require swimmers to pass a swim test if a lack of proficiency is observed. This also applies to slides that egress the swimmer into diving wells (i.e., water over the swimmer's head).
4. No running, pushing or horseplay is permitted around the perimeter of the diving area.
5. No hanging, sitting, or standing on the lifeline separating the swimming and diving areas is permitted.
6. The diver on the board may not proceed off the board until the previous diver has reached the ladder or completely cleared the diving well. This rule also pertains to water slides. Furthermore, persons on adjacent diving boards and slides may not proceed into the water at the same time. They must wait until the previous diver or slider has cleared the diving well. Lifeguards have the final authority for regulating diving and sliding to maintain safety.
7. Divers may only take one bounce before leaving the board, and divers may only progress in a forward direction towards the pool while on the board.
8. Backflips are allowable but inwards, cut-aways, gainers or other types of dives, which propel a diver towards the diving board, are prohibited. Keep your dives simple.
9. Do not dive off the side of a diving board. Dive straight ahead only.
10. Do not run and dive.
11. No one may be in the diving well to "catch" or assist others going off the diving board or exiting from a slide.
12. No items may be tossed or thrown to or towards divers going off the diving board, slides, or otherwise entering the diving well.
13. No flotation devices are permitted on the diving boards, slides, or in the diving well.

2025 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

14. Slide only feet first.

X WADING POOL: SAFETY AND HEALTH REGULATIONS

1. **No lifeguard services are provided in the wading pool.**
2. Non-proficient swimmers left unattended in the wading pool shall be removed at once. A report in writing shall be directed to the CountrySide Proprietary Facilities Committee, who shall take whatever action deemed necessary in the interest of safety and welfare.
3. People who are not toilet trained or who are incontinent must either wear a swim diaper or a cloth diaper, rubber pants and a swimsuit to comply with health department requirements and to inhibit drain clogging from any materials. Disposable diapers are prohibited.
4. Toys and play equipment must be limited to non-breakable items.

XI FLOAT DAY POLICY

1. "Float day" is designated at all pools as follows: Cromwell: every day; Lindenwood: Wednesday only; and Parkway Friday only.
2. Floats are never allowed in the diving wells of the Cromwell and Lindenwood Pool.
3. Floats must be of a design for a single person. For rectangular floats, the length can be a maximum of seven feet and a maximum width of four feet. For inner tubes, the diameter can be a maximum of four feet.
4. The Pool Manager shall be the final authority for determining the acceptability of any float. Further, if in the view of the Pool Manager or his representative, an unsafe condition should occur from the presence of too many floats in the water at a given time, or unsafe use of a float, then the Pool Manager or his representative shall be free to call a break time in order to alleviate such unsafe condition.

XII VOLLEYBALL NET POLICY

The Parkway Pool volleyball net may be used Thursday evening during the hours of 5:00 p.m. to 7:00 p.m.

XIII LAP LANE/SWIM LESSON POLICY

All three pools currently have a dedicated lap lane established for use on a first come, first served basis. Additionally, all three pools will have an "on demand" lap lane available seven days a week. These lanes are for the sole use of those who wish to swim laps. Other swimmers shall respect lap-lane swimmers, should not interfere, and will be required to stay out of the lap lane during use. Lap lane swimmers should note, however, that scheduled swim lessons do occur in the lap lanes; copies of the schedules will be posted at each pool. If swim lessons interfere with a resident's request to use the existing lap lane, the lifeguards should be asked to set up the "on demand" extra lap lane at that pool. Swim lessons may only be performed by individuals authorized by the Association and the Waves Swim Team who are certified as lifeguards as provided by the Loudoun County Code.

XIV POOL RENTAL POLICY

Members in good standing who wish to rent the pool facility during non-operating hours should contact the Proprietary office at 703-430-0715 for a **Rental Information Sheet** and copy of the **Pool Rental Agreement**.

XV SUSPENSION OF PRIVILEGES

Subject to the procedure outlined in the due process policy (Resolution 289), any Member who is delinquent in his/her assessments payments may be denied use of the pool facilities until such time as his/her account is brought current. Any Proprietary Member who has a covenant violation may be denied use of the pool facilities until such violation is abated. These restrictions apply to all residents of the Member's household.

XVI SUSPENSION DUE TO IMPROPER CONDUCT

Proprietary Members may be suspended as outlined in **Section IV General Rules and Practices**. When a suspension occurs, the Facilities Committee will be notified, and the procedures set forth in Resolution #289 "Due Process Policy" will be followed.

2025 Annual Inspections

At the request of your Board of Directors, members of the CountrySide Proprietary staff will be conducting the Annual Inspection of all CountrySide neighborhoods.

The inspection is performed with the intent of ensuring that the curbside appeal of the community is preserved.

The physical property inspections will commence during the month of April and we will be noting any repairs that need to be completed on the home and the general appearance of the property.

Some of the things found in need of exterior maintenance are listed but not limited to:

- wood rot on building exteriors
- fencing or sheds in need of repair
- damaged or missing roof shingles
- landscaping in need of attention
- building exterior in need of painting
- algae on building exteriors
- windows in need of repair or replacement
- unapproved architectural modifications
- driveways in need of repair and resurfacing
- decks in need of repair

Why Do We Have Annual Inspections?

At the beginning of each New Year, we all make resolutions to ourselves. Whether the promise is to lose weight, save more money, pay off debt, or look for another job, our determination, focus and commitment will make that resolution come true.

The Board of Directors wants to make the following promise to CountrySide Residents: Our Annual Inspections of your home will be the highest priority and our resolution in 2025.

WHY? Because CountrySide is a well-established community and most of our homes are at least 30 years old. It is time for us to take a good look at our homes and determine what needs to be fixed, painted or replaced.

We all want the highest appreciation of our home when it comes time to sell and want our neighborhood to be attractive for new buyers.

The Board of Directors would suggest that new buyers gather several impressions when in the market for a new home. As they drive into CountrySide via CountrySide Blvd. or Algonkian, our common areas are evaluated, and the trees, grass and trails create the first impression.

As they continue to drive to the home they are considering, the neighborhood is evaluated. Do the homes, common areas and amenities appear clean and well maintained? This is the second impression. Evaluation of the specific home is the final thing they consider.

The Board of Directors asks for your support and understanding during the Annual Inspection process. We all benefit as we improve our homes.

Did You Know?

An Architectural Application is Required for ALL Exterior Modifications on Your Home.

The quality of design and architectural harmony in CountrySide are maintained through a process of review for all exterior alterations to the property. Specific authority for maintaining the quality of design in CountrySide is established by the Covenants and Restrictions, which are a part of every deed to property.

Article VI, Section f1 of the Covenants states:

“... except for purposes of maintenance and repair, no building, fence, wall, or other improvements or structures shall be commenced, directed, placed, moved, altered, or maintained upon The Property, nor shall any exterior addition to or change (including any change of color) or other alteration thereupon be made until the complete plans and specifications showing the location, nature, shape, height, material, color, type of construction, and any other proposed form of change (including, without limitation, any other information specified by the Design Review Committee) shall have been submitted to and approved in writing as to safety, harmony of external design, color, and location in relation to surrounding structures and topography and conformity with the design concept for the community by a Design Review Committee designated by the Board of Directors.”

So, before you undertake any exterior project, please ensure you submit an architectural application and obtain approval first. For assistance with application requirements, you can review the Community Guidelines online at www.countryside-va.org or call the Proprietary office at 703-430-0715.

You May Need a “Site Plat”

Pursuant to the Community Guidelines most all exterior modifications require the submission of a “Property Plat/ Site Survey” with your application. This map shows the exact configuration of the lot, provides all the property dimensions of the lot, and shows any easements and building restrictions on the property. Most homeowners receive their Plat Map at settlement. It is printed on legal-size paper. Owners should keep the original Site Plat with their files and make copies to use with their applications.

Architectural improvements should be drawn on the plat map to show the location of your proposed modification such as a deck, patio, or play set. Site Plats are necessary for the committee members reviewing your application to gain the proper perspective and impact of your particular project on your residence and neighbors adjacent to you. If you cannot find your Site Plat, contact your settlement company or the Loudoun County Department of Building and Development.

Are You Hiring A Contractor?

- Never pay money up front for deposits.
- Report suspicious contractor behavior to the Better Business Bureau and to Renovation Experts.
- Never pay for work that is not completed to your satisfaction.

Spring + Summer Reminders

Ticks and Lyme Disease

Horsepen Run trails are not mowed on a regular basis. Please consider this when you choose a trail to enjoy and be sure to check for ticks afterwards.

Lyme disease is caused by bacteria that some people get after being bitten by ticks infected with an organism named *Borrelia burgdorferi*. The organism that causes Lyme Disease is maintained in wild rodents, deer, other mammals and certain ticks, most commonly the black-legged (deer) tick. It is transferred to people by the bite of an infected tick.

People of any age and in any part of Loudoun County can get Lyme disease. Infections occur throughout the year but are more common during the late spring and summer and in people who work or play outdoors. Dogs, cats and horses can also get Lyme disease. In 2012, the Board of Supervisors - in recognition of the seriousness of Lyme disease - declared 2012 "Lyme Disease Awareness Year," created the Loudoun Lyme Disease Commission, and adopted a 10-point action plan to mitigate Lyme disease.

These efforts were recognized in August 2013 as a model program by the Virginia Association of Counties. For more information, visit the Loudoun County website at www.loudoun.gov.

Before you go outdoors:

- Know where to expect ticks. Ticks live in moist and humid environments, particularly in or near wooded or grassy areas. You may come into contact with ticks during outdoor activities around your home or when walking through leaf litter or near shrubs. Always walk in the center of trails to avoid contact with ticks.
- Products containing permethrin kill ticks. Permethrin can be used to treat boots, clothing and camping gear and remain protective through several washings.
- Use a repellent with DEET on skin. Repellents containing 20% or more DEET can protect up to several hours. Always follow product instructions. Parents should apply this product to their children, avoiding the hands, eyes, and mouth. For detailed information about using DEET on children, see recommendations from the American Academy of Pediatrics.

For more information to stop ticks, visit the CDC website at www.cdc.gov/Features/StopTicks/

Trail Etiquette for Bicycling:

Recreational paths and trails have become quite popular. As a result, trails can become very congested and safety is a major issue. Whether bicycling, walking, or jogging, following the same rules as everyone else will help you have a safer, more enjoyable time. Trails have engineering and design limitations that require you to ride differently than you would on the road. If your preferred speed or style of cycling is inappropriate for trails, look for better suited alternative routes.

Be Courteous

- All trail users, including bicyclists, joggers, and wheelchair users, should be respectful of other users, regardless of their mode of travel, speed, or skill level.

Give an Audible Signal When Passing

- Give a clear signal when passing. This signal may be a bell, horn, or voice. Warn in advance so that you have time to maneuver if necessary. "Passing on your left" is the most common signal used to alert other users of your approach.

Keep Right

- Stay as close to the right side of the trail as is safe, except when passing another user.

Pass on Left

- Pass others who are going your direction on their left. Look ahead and behind to make sure the lane is clear before pulling out. Pass with ample separation. Do not move back to the right until safely past. Fast-moving users are responsible for yielding to slower moving users.

Clean up Litter

- Do not leave any debris along the trail. If you drop something, please pick it up and carry it until you find a litter receptacle. Go the extra mile—pack out more trash than you bring in.

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

Townhouse Parking

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to any vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call Al's Towing & Storage, but we will!

Thank you

Use Your Assigned Spot

Homeowners are able to call Al's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

Trash & Yard Waste Reminders

USE A COVERED TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
