Summer Safety with your pet

Protect your pets from heat stroke

Heat stroke occurs when the body cannot maintain its temperature in a safe range.¹

Heat stroke in dogs can occur in situations such as:

- Being left inside a parked car
- Strenuous exercise in hot weather
- Being muzzled while under a hair dryer
- Being housed on concrete or asphalt
- Being housed without shade or water in hot weather

Normal body temperature of a dog is within 100° to 102.5°F¹

Moderate heat stroke: body temperature from 104° to 106°F¹

Severe heat stroke: body temperature over 106°F¹

A dog can suffer brain damage at 107° and die at 120°²

Animal recovery can occur if body temperature can be lowered

Immediate veterinary care is needed, can be fatal!

Never leave pets alone inside a parked car

On an 85 degree day, for example, the temperature inside a car with the windows opened slightly can reach 102 degrees within 10 minutes. After 30 minutes, the temperature will reach 120 degrees. Your pet may suffer irreversible organ damage or die.³

Summer travel with your pets

Before you begin your trip make sure to pack:

- Copies of veterinary health and shot records
- Name, phone number and office address of home veterinarian
- List of any medications
- First aid kit
- Extra leash and collar
- Address and phone number of veterinary clinics in areas that you will visit

Antifreeze

As the summer days get warmer, cars that overheat may leak antifreeze. Pets are drawn to the sweetness of this toxic chemical. Even when ingested in very small amounts, antifreeze is poisonous to animals, and a veterinarian should be contacted immediately. Some public fountains may contain antifreeze, do not let your pet drink from them.

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

SELLING YOUR HOME? YOU WILL NEED TO ORDER A PROPERTY OWNERS' ASSOCIATION DISCLOSURE PACKET NOTICE, OR POA.

**THE BEST TIPS FOR YOU
PARKING IN
COUNTRYSIDE**

Townhouse Parking

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the **same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.**

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to **any** vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call Al's Towing & Storage, but we will!

THANKYOU

Use Your Assigned Spot

Homeowners are able to call Al's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

Wood waste: Cut into 4-foot lengths & bundle

Per Republic Services: "If the contractor misses a stop, the contractor will go back and make that pick up that same day when reported to the contractor by 3:00 p.m. If after 3:00 p.m., then the pick up will occur the very next Contractor's business day." **Please report missed collections to**

hoa.nova@republicservices.com.

Trash & Yard Waste Reminders

USE A COVERED TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

We remind residents that any official announcements concerning the community are posted on the website, sent to residents via email, or announced in The Courier. This includes any changes to services, such as recycling collections, scheduling, events, and anything else which directly affects the CountrySide Community.

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
