Got the Blues? Then this plant is for you!Meet Platycodon grandiflorus (Balloon Flower)

This plant is a real beauty.....and easy to grow. It is a member of Campanulaceae family and a herbaceous perennial (meaning, a plant with little or no woody tissue and which usually lasts only one growing season; stems are soft and green, somewhat like a fern's) which faithfully returns, even more robust, each year.....so another of nature's wonderful 'exceptions.'

Balloon flowers, of which there are several varieties, range from 1 to 3' in height and colors—light and deeper blue and white. It is clump-forming and so named because its flower buds puff up like balloons before bursting open into bell-shaped flowers with pointed lobes. They bloom throughout the summer, sometimes singly or in clusters atop attractive blue-green leaves, typically 2' in height. This year, I'm seeding a newer variety, Platycodon Komachi, which is shorter and whose blossoms

remain as 'balloons' rather than open. I'm looking forward to seeing how they develop from their current size:

This perennial is easy to sow from seed and often blooms its first year, unlike most perennials. It prefers organically rich, well-drained soil in full to part sun. In my yard, they happily bloom under my Dogwoods in a semi-sunny, somewhat dry location. Best to leave foliage intact during the winter months so the plant's crown is not disturbed; new stem growth in the spring quickly identifies what needs to be removed, particularly because the foliage is late to appear the following spring. If one so chooses, the plant stems can be shortened by half to reduce height. It's best to deadhead throughout the season to assure continued blooms till fall.

Balloon flowers have no serious insect or disease problems....and deer leave them alone! Zones 3 to 8 provide ideal conditions, making this lovely plant featuring showy blooms, low maintenance and dependability, a good choice for our area.

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

THE BEST TIPS FOR YOU PARKING IN COUNTRYSIDE

Townhouse Parking

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to any vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call AI's Towing & Storage, but we will!

THANK YOU

Use Your Assigned Spot

Homeowners are able to call AI's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

Yard waste must be in a paper bag or container & clearly marked "YARD WASTE"

Yard waste in plastic bags will not be collected

Wood waste: Cut into 4-foot lengths & bundle

Per Republic Services: "If the contractor misses a stop, the contractor will go back and make that pick up that same day when reported to the contractor by 3:00 p.m. If after 3:00 p.m., then the pick up will occur the very next Contractor's business day." **Please report missed collections to**

hoa.nova@republicservices.com.

Trash & Yard Waste Reminders

USE A COVERED TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
