Don't Feed the Wildlife!

The Countryside Proprietary recently sent an email message about bear sightings in the area, and we would like to follow up about another wildlife concern.

A few weeks ago, a Countryside resident and her pet had a frightening encounter with an aggressive raccoon that was suspected to be rabid. The resident was required to have a series of several rabies vaccinations. The pet was up to date with the rabies vaccine, however, did require a booster dose. Around and since this time, found raccoon droppings were seen on or near homes, yards, and decks. Three agencies are investigating this event: The Loudoun County Department of Health, Loudoun County Animal Services and the Virginia Department of Wildlife Resources Conservation Police.

Animals sure are cute, and it might seem like a nice gesture to feed them, but they have wild animal diets and do not need people food!

Don't Feed The Wildlife!

1. FEEDING WILD ANIMALS IS ILLEGAL IN VIRGINIA AND IS A HEALTH HAZARD.
4VAC15-40-286. UNAUTHORIZED FEEDING OF WILDLIFE
IT SHALL BE UNLAWFUL FOR ANY PERSON AS DEFINED IN § 1-230 OF THE CODE OF VIRGINIA TO PLACE, DISTRIBUTE, OR ALLOW THE PLACEMENT OF FOOD, MINERALS, CARRION, TRASH, OR SIMILAR SUBSTANCES WHEN IT ATTRACTS ANY SPECIES OF WILDLIFE IN SUCH NUMBERS OR CIRCUMSTANCES TO CAUSE PROPERTY DAMAGE, ENDANGER ANY PERSON OR WILDLIFE, OR CREATE A PUBLIC HEALTH CONCERN. UPON NOTIFICATION BY DEPARTMENT PERSONNEL, ANY SUCH PERSON SHALL BE IN VIOLATION OF THIS SECTION IF THE PLACING, DISTRIBUTION, OR PRESENCE OF SUCH FOOD, MINERALS, CARRION, TRASH, OR SIMILAR SUBSTANCES CONTINUES. THIS SECTION SHALL NOT BE CONSTRUED TO RESTRICT BONA FIDE AGRONOMIC PLANTINGS (INCLUDING WILDLIFE FOOD PLOTS), BONA FIDE DISTRIBUTION OF FOOD TO LIVESTOCK, OR WILDLIFE MANAGEMENT ACTIVITIES CONDUCTED OR AUTHORIZED BY THE DEPARTMENT OR U.S. GOVERNMENT AGENCIES WITH WILDLIFE MANAGEMENT RESPONSIBILITIES.

2. A COMMON REASON RACCOONS COME AROUND RESIDENTIAL AREAS IS FOR FOOD SOURCES SUCH AS:

- BIRD FEEDERS
- COMPOST PILES
- PET FOOD BOWLS
- FOOD AND CRUMBS (LEFT OUT INTENTIONALLY OR NOT)

3. MANY PEOPLE ENJOY LIVING NEAR AND WATCHING WILDLIFE. YOU CAN HELP KEEP ANIMALS WILD BY KEEPING THE FOLLOWING TIPS IN MIND (USDA):

- DO NOT ENCOURAGE WILDLIFE BY FEEDING OR LEAVING FOOD FOR THEM.
- DON'T ALLOW BIRD FOOD TO ACCUMULATE ON THE GROUND.
- DON'T PLACE FOOD SCRAPS IN GARDENS OR COMPOST BINS; USE A CLOSED COMPOST BIN.
- KEEP PET FOOD AND WATER CONTAINERS INDOORS, ESPECIALLY AT NIGHT.
- IF YOU HAVE FRUIT TREES, HARVEST OR DISPOSE OF FRUIT WHEN IT IS RIPE.
- USE METAL OR DURABLE PLASTIC TRASH CONTAINERS WITH TIGHT FITTING LIDS.
- VIEW WILDLIFE AT A DISTANCE. RESPECT THEIR SPACE AND REMEMBER WILD ANIMALS SHOULD STAY WILD.

4. RACCOON FECES CARRY A TYPE OF ROUNDWORM THAT CAN BE HARMFUL TO HUMANS.

WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

2023 Board of Directors Candidates

Gabriella Jones

If elected to the Board, I will continue to push efforts to modernize CountrySide's processes to make them easier for residents. I will strive to increase the transparency of the Board's actions and encourage resident participation in governance.

As the Community Relations Chair, I found ways to ensure events were fun but cost effective. As a Board member, I will continue to push for cost saving measures.

Charles J Raymone

I am seeking election to the CountrySide Proprietary Directors to represent Foxfield. I moved to this community back in the fall of 2021 and immediately set out to join the Facilities Board with the HOA. I have been proudly serving on this board since December 2021. A little about myself, I am a business analyst at CACI, and I was a founding member of St. Paul VI Catholic High School's Alumni Organization, where I currently serve as the event coordinator. This summer I also joined the CountrySide Waves swim team as Stroke and Turn Judge. I love the community that CountrySide has. My wife and I love taking walks and meeting our neighbors throughout. I want to keep representing our community to the best of my abilities.

Roddy Dean

Working on the CountrySide Board of Directors has been a challenge this past year as attempt to rewrite our 40-year-old governing documents. I have served on the Board since August 2019 and as Treasurer since July 2022, and previously served on the NAC and the Finance Committee. I ask that you would allow me to continue to serve on the CountrySide Board of Directors representing Morven Woods in 2023. My family and I have lived in CountrySide since 1984. I have seen many changes and wish for an opportunity to help with future decisions as we continue to be mindful of ow our community recovers from the pandemic, deals with short-term rentals, updates governing documents, and re-contracts for pools and lawn services and a management company. I also want to continue to help keep our property values at the current levels or higher as homes in CountrySide continue to sell quickly. I believe I can help do this with the help of our management company by continuing to point out where there is trash or unkempt community property. I have 45 years of financial and management experience in banking, having worked for First Virginia Bank and BB&T, now Truist. My banking background has given me experience with contractors, employee management, risk analysis, real estate values, customer service, and budgeting. I am well organized and think problem through, so I think I can continue to be a good voice within the CountrySide Board of Directors. Thank you for your signature and your vote. I look forward to continue working in the community.

2023 Board of Directors Candidates

Penny Francke

I have been a CountrySide resident for over 17 years. Since joining the Board in 2016, I've served as Chair for three major standing Committees: Facilities, Community Relations, and Grounds. I've also served as Vice-President of the Board since 2017. This year, I am heading up the project to re-bid our management contract for the next three-year cycle, gathering and organizing vendor information so the Board can make an informed decision on this major budget item. I've worked closely with our legal counsel on the Board's overhaul of our Governing Documents, preparing for a community vote later this fall. My involvement with these two major Board projects and the three standing committees has deepened my knowledge of the workings of CountrySide and has allowed me to build a better understanding of the needs of our community. I'm retired after a diverse career in the chemical and software industries, in a variety of technical, customer service, project management, and business management roles. My professional experience has been invaluable in helping me meet the many challenges the Board is facing.

I've worked to improve communications with residents, both during Board meetings and through Courier articles on budgeting, assessments, and other subjects of interest. I believe the OakRidge Director has an obligation to represent both our neighborhood and the CountrySide community as whole. I take the representation and fiduciary responsibilities very seriously, giving many hours of research and preparation for Board and committee meetings; my attendance record is well over 95%, reflecting my deep commitment to this volunteer position. I hope you'll let me continue to serve OakRidge in 2023. Thank You!

David Barrie

Currently I serve on several CountrySide committees and as the Oatlands representative to the Board of Directors. I would like the opportunity to continue my service to Oatlands and CountrySide. This will allow me to "give back" to the community, both Oatlands and CountrySide. The preservation of our open space and the upkeep of our properties are paramount to me. CountrySide includes Horsepen Run, a fantastic wetlands nature preserve of over 370 acres that needs to be protected for the community to enjoy. I strongly support annual home exterior inspections to ensure the value of CountrySide properties are being maintained. Maintaining the beauty of our common area is also important to me as that serves to enrich property values. Over the years that I have been a member of the Board of Directors, CountrySide has been financially prudent, balancing the requests of the residents, the expenses of a multi-million-dollar operational budget and the requirements to maintain our reserves for the future expenses. My commitment to Oatlands and CountrySide reflects my enjoyment of living in a community which fosters property appreciation, maintenance of our CountrySide grounds and financial responsibility.

2023 Board of Directors Candidates

Kumar Sangaran

I want to be apart of our community as well as our proprietary to ensure we meet the Proprietary Guidelines as well as provide flexibility to our community for comfortable living.

Sam Wilson

My wife and I purchased our home in Welbourne in 2013, and I have served on the Board as the Welbourne representative since May of 2021. My top priorities have been to get a handle on the ever-growing short-term rental (Airbnb) situation in CountrySid, to ensure our facilities are properly maintained, our tot lots are a source of pride (2 new lots and many repairs coming soon!), and to represent the will of all CountrySide homeowners. I am running for the board for a third term, to continue that work, and I would appreciate your vote.

Trash & Yard Waste Reminders

USE A COVERED TRASH CAN

CountrySide Regulations state:

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

James Pierpont's "One Horse Open Sleigh" was a Thanksgiving song but it became so popular that in 1859, he changed it to "Jingle Bells"!

Did You Know?

- The first professional Thanksgiving Day football game was played in 1920.
- About 1,000 Turkey Trots take place around the U.S. each year!

"I wish the Bald Eagle had not been chosen the Representative of our Country...For in truth the Turkey is in comparison a much more respectable bird."

Monthly Assessment Payment Options

DIRECT DEBIT (ACH): There are several benefits to signing up for Direct Debit payments, including the following:

- Avoid Late Fees! Payments are processed on or about the **10th of each month** and are therefore always received on time.
- One less check to write each month and one less stamp to use or trip to the Proprietary office.
- The assessment amount is always right, even if rates change from year to year

It's easy to use this service. Complete the Authorization Agreement for Direct Payments form and send it to us with a voided check.

This form can be picked up in the office or found [HERE](#).

NOTE: We will only take the regular assessment. Other fees assessed to the account must be paid separately.

BY MAIL:

Mail a check or use your bank's online bill pay option.

Send the payment to our payment processing center at CountrySide Proprietary, c/o PMP, PO Box 62678, Phoenix AZ 85082. Please list your CountrySide account number in the memo portion of the check

Checks sent in the mail must be received by the 10th of the month to avoid late fees.

Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

Standard Payment Plan – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

Non-Standard Payment Plan – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing catherineen.cside@pmpbiz.com.
