## TRICK OR TREAT

### Safety Tips

**1** Make sure your kids are visible. Prioritize light colored clothing and costumes, reflective gear, and flashlights.

**2** When its time to cross the street, make sure you do so only at crosswalks and intersections.

**3** If you are driving around in the evening, be cautious and watch for trick-or-treaters walking in the street.

**4** Make sure your child's costume fits! If the costume is too big or too long, they could trip.

## VOLUNTEERS NEEDED!

CountrySide is looking for volunteers to fill vacancies in various committees and communities. Please see the list on page 28 to see which committees currently have vacancies. Volunteers must be a homeowner in their respective community and be in good standing to serve on committees. Participation on the Board is an opportunity for you to make a personal contribution to your neighborhood and an investment in CountrySide's future. The duties and responsibilities of directors and officers can be found through [this link to Resolution 164](#). We hope you will take the time to carefully consider representing your neighborhood on the Board of Directors next year. # CountrySide Reminders

## PARKING ENFORCEMENT ON VDOT STREETS

CountrySide Proprietary does not monitor parking, or ticket or tow on VDOT streets. If you wish to report a traffic or parking problem on a VDOT street call the non-emergency Police number at 703-777-1021 or contact the Sheriff's Office using their traffic complaint form at:

<https://www.loudoun.gov/FormCenter/Sheriffs-Office-6/Traffic-Complaint-Form-128>. For Loudoun County Parking Regulation 480.105, please see <https://www.loudoun.gov/DocumentCenter/View/77355/Item-03-Attachment?bidId=> or go to [www.loudoun.gov](http://www.loudoun.gov) for more information. For VDOT road condition problems, contact VDOT at: <https://my.vdot.virginia.gov>

## SOLICITING IN THE COMMUNITY

Recently the Proprietary Office has received an increase in communication from residents reporting solicitors going door to door. CountrySide is a non-soliciting community with several posted signs. If a solicitor knocks on your door, the Proprietary advises to not answer the door, or engage with them, and to immediately call the non-emergency number for Loudoun County Sheriff's Office, 703-777-1021.

## LOCK YOUR VEHICLES

*Notes from Loudoun County Sheriff*

The Loudoun County Sheriff's Office is reminding residents to secure their vehicles and remove valuables from cars.

- **KEEP YOUR VEHICLE LOCKED:** Most stolen items are taken from vehicles that are left unlocked.
- **REMOVE VISIBLE ITEMS:** Remove all items from your vehicle (including garage door openers), when not in use. When you cannot do this, put the items out of sight (inside a lockable glove box or trunk). If your vehicle has an integrated garage door opener, please try to park in the garage. • Park inside the garage if available and keep the garage locked. Or try to park in a well-lit area.
- The Crime Prevention Unit also encourages residents to register your valuable items with the manufacturer and document and record your property's make, model and serial numbers through "Operation Inventory," a prevention-based program intended to help curb thefts taking place in Loudoun County. Thieves often depend on citizens to not have key information about their belongings. Information such as serial numbers, make and model are key pieces of information that help law enforcement quickly identify stolen property and aid in the prosecution of the offenders. Residents are also reminded to report any suspicious activity immediately by calling the Loudoun County Sheriff's Office nonemergency number at (703) 777-1021 or see [SHERIFF.LOUDOUN.GOV](http://SHERIFF.LOUDOUN.GOV).

## ***An Architectural Application is Required for ALL Exterior Modifications on Your Home.***

The quality of design and architectural harmony in CountrySide are maintained through a process of review for all exterior alterations to the property. Specific authority for maintaining the quality of design in CountrySide is established by the Covenants and Restrictions, which are a part of every deed to property.

Article VI, Section f1 of the Covenants states:

*“... except for purposes of maintenance and repair, no building, fence, wall, or other improvements or structures shall be commenced, directed, placed, moved, altered, or maintained upon The Property, nor shall any exterior addition to or change (including any change of color) or other alteration thereupon be made until the complete plans and specifications showing the location, nature, shape, height, material, color, type of construction, and any other proposed form of change (including, without limitation, any other information specified by the Design Review Committee) shall have been submitted to and approved in writing as to safety, harmony of external design, color, and location in relation to surrounding structures and topography and conformity with the design concept for the community by a Design Review Committee designated by the Board of Directors.”*

So, before you undertake any exterior project, please ensure you submit an architectural application and obtain approval first. For assistance with application requirements, you can review the Community Guidelines online at [www.countryside-va.org](http://www.countryside-va.org) or call the Proprietary office at 703-430-0715.

### ***You May Need a “Site Plat”***

Pursuant to the Community Guidelines most all exterior modifications require the submission of a “Property Plat/ Site Survey” with your application. This map shows the exact configuration of the lot, provides all the property dimensions of the lot, and shows any easements and building restrictions on the property. Most homeowners receive their Plat Map at settlement. It is printed on legal-size paper. Owners should keep the original Site Plat with their files and make copies to use with their applications.

Architectural improvements should be drawn on the plat map to show the location of your proposed modification such as a deck, patio, or play set. Site Plats are necessary for the committee members reviewing your application to gain the proper perspective and impact of your particular project on your residence and neighbors adjacent to you. If you cannot find your Site Plat, contact your settlement company or the Loudoun County Department of Building and Development.

### ***Are You Hiring A Contractor?***

CountrySide strongly suggests that all homeowners follow the recommendation outlined below when hiring a contractor.

- Check out the contractor with our local or state consumer protection officials
- Ask the contractor for customer references who have projects similar to yours
- Ask for a copy of the contractor's current license and insurance certificate, if required.
- Get written estimates from several firms. Make sure bids are based on identical project specifications.
- Get all guarantees, warranties, start and completion dates, and promises in writing.
- Never pay money up front for deposits.
- Report suspicious contractor behavior to the Better Business Bureau and to Renovation Experts.
- Never pay for work that is not completed to your satisfaction.
- Check out these websites that will provide you with the latest background information on prospective contractors.

The overriding objective of the following policies is to protect the residential character of CountrySide at all times."

**-And -**

### **Section: Notification Process:**

"Members who wish to establish a Business Activity must submit to the Managing Agent the following materials before conducting any Business Activity on a Lot:

## WHY DO TOWNHOUSES PAY A HIGHER ASSESSMENT?

Residents who are new to the HOA community, or unfamiliar with the operating budget of CountrySide, might ask why the townhouse monthly assessments are higher than the single family home assessment. The answer is fairly simple: It's a question of who pays for what. As an example: CountrySide single family homes are on VDOT streets—streets that are maintained by, and are plowed in winter by VDOT. That maintenance and plowing is all funded by the taxes paid by single family homeowners, and those taxes can easily run double what townhouse taxes are. By contrast, when a townhouse street needs to be repaired, repaved, or even totally rebuilt, those expenses have to be paid by the homeowners who benefit from the improvements. There are other townhouse-only expenses, but road maintenance is the biggest single difference.

The CountrySide Board of Directors accounts for townhouse-only expenses separately, so that assessments fairly reflect the share of expenses incurred by both categories. Separate Reserve funds are maintained for townhouse-only expenses, and those delineations are shown on the summarized budget presented to the residents after each budget cycle. If you have further questions on this subject, please feel free to contact the Proprietary Office or the Board of Directors.

Each townhouse property has two assigned parking spaces. Residents should use their assigned spaces for parking.

Visitor Spots...

...are for visitors! A vehicle parked in the same space or visitor spots in the same neighborhood three (3) times in a thirty (30) day period is considered a repeat or chronic offender.

Towing

If you see a bright orange sticker on your vehicle, do not ignore it! Your final warning before towing will be clearly marked.

Commercial Vehicles

This applies to any vehicle designed or maintained for business/profit purposes and to vehicles with a rate capacity 1.5 tons or more. Vehicles may not bear commercial signs, advertising, or visible commercial equipment.

Other Prohibited Vehicles

Inoperable vehicles, abandoned vehicles, boats, trailers, recreational vehicles

Be Courteous!

We recognize that townhouse parking is tight. Be courteous and considerate to your neighbors by not monopolizing the visitor parking. We don't like to call AI's Towing & Storage, but we will!

THANK YOU

Use Your Assigned Spot

Homeowners are able to call AI's Towing & Storage themselves if they find their assigned parking space occupied by a non-authorized vehicle.

## Trash & Yard Waste Reminders

### USE A COVERED TRASH CAN

**CountrySide Regulations state:**

Article VI, Section 6. Prohibited Uses and Nuisances. (e):

"Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers."

What this means is you **MUST** use a covered trash receptacle. Trash placed out in bags is in direct violation of the Governing Documents. Also, the use of bags attracts unwanted wildlife leading to an unsightly and unsanitary mess.

### YARD WASTE HANDLING

- Brush and limbs must be cut to 4 ft. lengths and bundled with twine in arm-full size bundles.
- Tree stumps and tree limbs (that are larger than 6" in diameter and longer than 4 ft.) will NOT be collected.
- Grass clippings and leaves should be put in PAPER bags (**no plastic bags**) OR in a container marked "Yard Waste"

Eligibility criteria:

- Applicants must bring their assessment account current and sign up for the Direct Debit/ACH Program.
- At least one payment must be received under the Direct Debit/ACH Program before the interest charge/ late fee amnesty occurs.
- Applicants must remain on Direct Debit/ACH for at least nine months after signing up
- Failure to remain current and make payments within nine months will result in interest charges/late fees being re-applied to the account.

If you are interested in signing up for this program and meet all the conditions as stated above, please contact Catherine Neelley at the Proprietary Office 703-430-0715 or via email at [catherineen.cside@pmpbiz.com](mailto:catherineen.cside@pmpbiz.com)

## Payment Plans

CountrySide Proprietary offers its homeowners the option of a written installment payment arrangement for the purposes of satisfying a delinquent account balance. This option is known as a Payment Plan. There are essentially two types of Payment Plans available:

**Standard Payment Plan** – Enables homeowners to pay off their outstanding balance over a period of ten months. The monthly payment amount is calculated by taking 10% of the balance due and adding it to the regular monthly assessment amount. This plan also requires that the homeowner signs up for Direct Debit/ACH so that the monthly amount due can be taken directly from a bank account.

**Non-Standard Payment Plan** – Enables homeowners to suggest an alternate monthly payment amount and to make those payments via cash or check. This type of plan is offered for a period of nine months, at which time it will be reviewed to determine whether or not the plan can continue and/or needs to be altered.

Both types of Payment Plans are subject to Board approval. If you currently have an outstanding balance and would like to apply, please contact Catherine Neelley, Community Manager, at (703) 430-0715 or by emailing [catherineen.cside@pmpbiz.com](mailto:catherineen.cside@pmpbiz.com).
