PLANNING FOR 2027 STARTS HERE📍

The Board of Directors and Standing Committees want your input to help shape the 2027 budget and ensure it reflects the community's priorities.

As a community, CountrySide is equivalent to a medium-sized town in Virginia, with a wide range of services, amenities, and infrastructure to maintain. Each year, the Board of Directors and Finance Committee work to develop a budget that balances our essential obligations with the priorities of our residents, using affordability and **community feedback** as important factors in the decision-making process.

REQUIRED EXPENDITURE EXAMPLES

Trash services contract (one of the largest expenses)

Landscaping contract for common grounds

Repairs for townhouse streets and paths

Maintaining Reserve Funds for long-term financial health

Management contract for 3 community pools

Management company, insurance, and more

All contractual obligations must be accounted for before the Board can evaluate additional discretionary expenses, including:

Community events and activities

Amenity additions and upgrades

Shared space enhancements

...or other suggestions that reflect what matters most to YOU, the residents and primary stakeholders in CountrySide.

YOUR NEXT STEPS

SHARE YOUR BUDGET INPUT NO LATER THAN AUGUST 14.

Your perspective has a critical role in shaping the 2027 budget. As you consider the future of CountrySide, reflect on the questions below:

- Are we happy with how things are being handled?
- Do we need to make any changes which will require money to be spent?
- Are we satisfied with the scheduled events or are there other activities we'd like to sponsor?
- Do other communities offer services that should be considered at CountrySide?
- Are we comfortable asking ALL residents to pay for additional features or services we want?
- Can you suggest areas for cost savings?

You may also provide recommendations to your Neighborhood Advisory Council (NAC) or Standing Committee representatives by August 14.

2026 Annual Inspections

At the request of your Board of Directors, members of the CountrySide Proprietary staff are conducting the Annual Inspection of all CountrySide neighborhoods. The inspection is performed with the intent of ensuring that the curbside appeal of the community is preserved.

Physical property inspections are underway. We will note any repairs homes need, as well as the general appearance of the property.

Some of the exterior areas that may need maintenance include:

- wood rot on building exteriors
- fencing or sheds in need of repair
- damaged or missing roof shingles
- landscaping in need of attention
- building exterior in need of painting
- algae on building exteriors
- windows in need of repair or replacement
- unapproved architectural modifications
- driveways in need of repair and resurfacing
- decks in need of repair

Why do we have inspections?

We all want the highest appreciation of our home when it comes time to sell, and our neighborhoods can be a key factor in that decision. From our common areas to each specific home, we all can benefit from improvements. The Board of Directors asks for your support and understanding throughout the Annual Inspection process.

How you can prepare

Taking a few minutes to walk around your home now and address potential maintenance items can help ensure a smooth inspection process. Contact the Proprietary Office with any questions by emailing countryside@legumnorman.com or calling (703) 430-0715.

A Pet-Friendly Reminder

CountrySide is a wonderful place for both people and pets, and a little consideration goes a long way in keeping it that way.

Please remember to keep dogs leashed when outside fenced yards, **clean up after your pets right away, and dispose of waste properly.** These simple steps help keep our community clean, safe, and enjoyable for everyone - including your neighbors, kids, and fellow pet lovers.

A map of all pet waste station locations is available on the [Amenities page](#) of CountrySide's website.

Thank you to the many residents who already do their part every day. We truly appreciate your cooperation in helping keep CountrySide a great place to call home!

CountrySide es un lugar maravilloso tanto para las personas como para las mascotas, y un poco de consideración ayuda a mantenerlo así.

Por favor, recuerde mantener a los perros con correa cuando estén fuera de áreas cercadas y recoger los desechos de sus mascotas de inmediato. Estos simples pasos ayudan a mantener nuestra comunidad limpia, segura y agradable para todos.

Un mapa con la ubicación de todas las estaciones para desechos de mascotas está disponible en [la página de Amenidades](#) del sitio web de CountrySide.

Gracias a los residentes que hacen su parte cada día. ¡Apreciamos sinceramente su cooperación para ayudar a que CountrySide siga siendo un excelente lugar para llamar hogar!

Spring + Summer Reminders

Ticks and Lyme Disease

Horsepen Run trails are not mowed on a regular basis. Please consider this when you choose a trail to enjoy and be sure to check for ticks afterwards.

Lyme disease is caused by bacteria that some people get after being bitten by ticks infected with an organism named *Borrelia burgdorferi*. The organism that causes Lyme Disease is maintained in wild rodents, deer, other mammals and certain ticks, most commonly the black-legged (deer) tick. It is transferred to people by the bite of an infected tick.

People of any age and in any part of Loudoun County can get Lyme disease. Infections occur throughout the year but are more common during the late spring and summer and in people who work or play outdoors. Dogs, cats and horses can also get Lyme disease. In 2012, the Board of Supervisors - in recognition of the seriousness of Lyme disease - declared 2012 "Lyme Disease Awareness Year," created the Loudoun Lyme Disease Commission, and adopted a 10-point action plan to mitigate Lyme disease.

These efforts were recognized in August 2013 as a model program by the Virginia Association of Counties. For more information, visit the Loudoun County website at www.loudoun.gov.

Before you go outdoors:

- Know where to expect ticks. Ticks live in moist and humid environments, particularly in or near wooded or grassy areas. You may come into contact with ticks during outdoor activities around your home or when walking through leaf litter or near shrubs. Always walk in the center of trails to avoid contact with ticks.
- Products containing permethrin kill ticks. Permethrin can be used to treat boots, clothing and camping gear and remain protective through several washings.
- Use a repellent with DEET on skin. Repellents containing 20% or more DEET can protect up to several hours. Always follow product instructions. Parents should apply this product to their children, avoiding the hands, eyes, and mouth. For detailed information about using DEET on children, see recommendations from the American Academy of Pediatrics.

For more information to stop ticks, visit the CDC website at www.cdc.gov/Features/StopTicks/

Trail Etiquette for Bicycling:

Recreational paths and trails have become quite popular. As a result, trails can become very congested and safety is a major issue. Whether bicycling, walking, or jogging, following the same rules as everyone else will help you have a safer, more enjoyable time. Trails have engineering and design limitations that require you to ride differently than you would on the road. If your preferred speed or style of cycling is inappropriate for trails, look for better suited alternative routes.

Be Courteous

- All trail users, including bicyclists, joggers, and wheelchair users, should be respectful of other users, regardless of their mode of travel, speed, or skill level.

Give an Audible Signal When Passing

- Give a clear signal when passing. This signal may be a bell, horn, or voice. Warn in advance so that you have time to maneuver if necessary. "Passing on your left" is the most common signal used to alert other users of your approach.

Keep Right

- Stay as close to the right side of the trail as is safe, except when passing another user.

Pass on Left

- Pass others who are going your direction on their left. Look ahead and behind to make sure the lane is clear before pulling out. Pass with ample separation. Do not move back to the right until safely past. Fast-moving users are responsible for yielding to slower moving users.

Clean up Litter

- Do not leave any debris along the trail. If you drop something, please pick it up and carry it until you find a litter receptacle. Go the extra mile—pack out more trash than you bring in.

Tons of 5 Star Reviews

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

These rules exist to promote safety, good order, and discipline at CountrySide's swimming pools to maximize the enjoyment of our pools by CountrySide residents. They are rules and regulations and should be supplemented with common *sense* and *courtesy*. Misconduct will not be tolerated and will most likely result in suspension of pool privileges. These rules apply to all CountrySide residents and their guests attending any of CountrySide's three pools (Cromwell, Lindenwood, or Parkway). CountrySide has retained American Pool Management to provide our pool management and lifeguard services for 2026.

While many consider the lifeguards to be the first line of safety defense, the truth is that you as a pool user are the first line of defense. Parents are ultimately responsible for the *safety* and *behavior* of their children whether they accompany their children to the pools or not. Residents are responsible for the behavior of their guests. If pool patrons (residents or guests) violate these rules or engage in unsafe behavior, the lifeguards are granted the authority to enforce the rules accordingly.

If a patron observes rude behavior, unsafe activity, or feels that good order and discipline are being compromised, they should bring it to the attention of the pool management staff. Members and staff are also encouraged to submit a written *Incident Report* to the CountrySide Proprietary. Forms are available at the pools and on the CountrySide Proprietary website (<http://www.countryside-va.org>).

Note: English and Spanish versions of the pool rules are available at the Proprietary office, at each pool, and on our website.

IV GENERAL RULES AND PRACTICES

- The on-duty Pool Manager/Operator shall be the final on-site authority to interpret these operating policies and procedures. The Pool Manager may take any action he or she feels is necessary to preserve the health and safety of the pool patrons and to preserve peace and dignity at the pool facility.
- The pool management staff (i.e., lifeguards) are empowered by the CountrySide Facilities Committee to enforce these rules at CountrySide's swimming pools. This means that in the pool staff's judgment, serious offenses may warrant a directive to leave the pool area. Such action shall necessitate that the Pool Manager submit a written ***Incident Report*** (with the amenities pass attached) to the CountrySide Facilities Committee via the Proprietary office.
- The 2026 pool rules and regulations will continue the policy of "***Zero Tolerance***" to remedy instances of severe misconduct at any of our three pools this season. "***Zero Tolerance***" means that any misconduct or disregard of the set policies will not be tolerated. The Pool Manager will document infractions on an ***Incident Report*** form describing the nature of the incident and the individuals involved, including the lifeguard, and may also, at his or her discretion, include the names of witnesses if necessary. Any violators are subject to

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

immediate suspension of privileges throughout CountrySide facilities. The Facilities Committee administers the “**Zero Tolerance**” policy. They will adjudicate “**Zero Tolerance**” issues and make recommendations to the CountrySide Board of Directors to suspend pool privileges of any individual who represents a hazard to the safety of themselves or others, or a disturbance to the family-friendly atmosphere at CountrySide pools.

4. Minor infractions, such as running, pushing, or rough play will not be permitted anywhere in the pool enclosure. Lifeguard's judgment prevails. In the event a second warning becomes necessary, the offender will be required to take a 15-minute break. Should a third warning become necessary, the Pool Manager is authorized to suspend the member's pool privileges for up to 72 hours. Pool Managers are authorized to temporarily suspend the member's amenities pass and evict the offender provided that a written Incident Report is submitted to the CountrySide Proprietary Facilities Committee.
5. **All persons shall use the pool facilities at their own risk.** The CountrySide Proprietary assumes no responsibility for any accident or injury neither in connection with such use nor for any use and/or damages to personal property.
6. No rough play or dangerous activity will be allowed. Cursing, insults, foul language, inappropriate gestures, and rudeness are not acceptable in any public facility – especially when children are present. Courtesy is encouraged. Members are also free to complete a written complaint form addressed to the CountrySide Proprietary Facilities Committee for review and further action. The forms are available at the pools and on the CountrySide Proprietary website (www.countryside-va.org). The Facilities Committee shall review all Incident Reports. In those instances where suspension of privileges is deemed appropriate, the Facilities Committee may forward their recommendations to the CountrySide Board of Directors for final determination.
7. CountrySide Members and Residents are responsible for the actions of the residents of their household.
8. CountrySide Members and Residents are responsible for the actions of their guests.
9. Damage to pool property will result in the individual involved being denied use of the pool until the CountrySide Proprietary Facilities Committee has resolved the matter to its satisfaction.
10. All persons shall immediately obey the instructions and respect the judgment of the lifeguards and/or Pool Manager. Disputes shall be filed, in writing, with the CountrySide Proprietary Facilities Committee.
11. The pool management staff are responsible for the pool area safety and discipline. As such they are authorized to rule on situations and enforce all rules of safety. All pool management staff have the authority to evict patrons who fail to comply with these rules and regulations. In that event, a written **Incident Report** shall be completed by the Pool Manager and submitted to the Facilities Committee (see “**Zero Tolerance**” under #3 of GENERAL RULES AND PRACTICES section).
12. Situations not specifically covered by these rules and regulations may be acted upon by the Facilities Committee to provide clarification to the members. The Facilities Committee is empowered to amend, add, or delete rules for the benefit of the general membership.
13. Standing jumps will be permitted in 3 feet of water or greater. No diving is permitted in less than 8 feet of water (i.e., you may only dive into a diving well at Cromwell or Lindenwood). One exception to this rule is that competition swim team members may dive during officially sanctioned events (to accommodate and train for race starts).
14. No excessive splashing or games of "tag" are permitted in the water at any time. Lifeguard's judgment shall prevail.

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

15. Only “nerf” and “beach-type” balls will be permitted.
16. Non-U.S.C.G. approved flotation devices are discouraged but allowed at user's risk. Use of devices such as “water wings” requires direct parental supervision at all times.
17. Breastfeeding is allowed at all CountrySide pools.
18. Pool Operating Hours will be strictly enforced; all patrons must exit the pool house at or before closing time.

V SWIM ATTIRE POLICY

1. Street clothing is permitted in the deck area provided the person does not enter the pool and remains no closer than 5 feet from the water's edge.
2. All persons will shower and be attired in proper swimwear prior to entering the water. "Cut Offs" and/or any other article of clothing which may prove hazardous to the pumps and filters are prohibited.
3. Persons not toilet trained or who are incontinent must either wear a swim diaper or a cloth diaper, rubber pants and a swimsuit to comply with health department requirements and to inhibit drain clogging from any materials. Disposable diapers are prohibited.
4. Swim goggles are permitted and are recommended in lieu of regular eyeglasses or sunglasses in the pool.

VI WEATHER POLICY

1. Water is conductive. Patrons must leave the pool immediately following the observance of thunder or lightning or when the Operator on duty requests patrons to leave the deck.
2. The entire facility (pool, deck/grass, and pool house) will remain closed for 45 minutes following every instance of thunder/lightning.
3. Residents may choose to wait in the safety of their car or another area outside the facility until the lifeguards give the “all clear” signal and the pool reopens.
4. The pool management staff, in its sole and absolute discretion, may order the closing of pool due to inclement weather or other conditions that may cause a risk to the health and safety of the patrons using the pool.

VII CONSUMPTION OF FOOD AND BEVERAGES

1. The pool snack bar will be open only during the 10-minute rest break (see below for schedule). The snack bar typically carries a limited assortment of drinks and ice cream for purchase by pool patrons. There is also a water fountain available for patrons while the snack bar is closed.
2. Patrons may also bring their own food and drink to the pools as long as they comply with the following rules:
 - a. No glass containers are permitted within the pool enclosure – ONLY paper or plastic containers are safe within the pool enclosure.
 - b. No alcoholic beverages are permitted in the clubhouses or within the pool enclosure.
 - c. No drugs of any type are permitted.
3. In accordance with Loudoun County Swimming Pool Ordinance, Section 838.37, neither eating nor drinking is allowed on the pool deck. Eating and drinking activities are confined to the grass areas only. Smoking is prohibited within all CountrySide Pool Facilities and within 25 feet of the front entrance. This includes conventional cigarettes AND ALL e-cigarettes (JUUL, vaping, etc.)

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

VIII BREAK TIME FOR LAP SWIM/WATER WALKING/OVERCROWDING

1. A ten-minute period is to be observed every hour for lap swimming or water walking exclusively, meaning only people actively swimming laps or water walking are allowed in the pool during that time. The lifeguard will blow the whistle to begin the break at 50 minutes past the hour and blow the whistle to resume swimming on the hour. The exception to this is the final hour of operations; the pool shall not close 10 minutes before the hour, it will close on the hour. Lap swim and/or water walking may occur until the end of the last hour. All patrons must exit the pool facility at or before closing time.
2. If in the view of the Pool Manager, the number of people in the pool presents an unsafe situation, the manager may call a break time for all individuals in the pool in excess of the standard ten-minute break time procedures outlined in No. 1 above.
3. In the event of overcrowded conditions, as determined by the Pool Manager, the manager may instruct the lobby attendant to direct any member/guest arrivals to a less crowded pool facility.

IX DIVING BOARDS & WATER SLIDES AT CROMWELL & LINDENWOOD

1. At any time, if there are patrons using the diving board or slides while there are other swimming patrons in the pool, there must be a second lifeguard on duty either in a chair or on the deck to monitor the activity at the deep end of the pool. NO EXCEPTIONS!
2. Only one person at a time is allowed on the diving board or any individual slide.
3. Only those individuals who are strong swimmers may use the diving boards. Lifeguard staff may require swimmers to pass a swim test if a lack of proficiency is observed. This also applies to slides that egress the swimmer into diving wells (i.e., water over the swimmer's head).
4. No running, pushing or horseplay is permitted around the perimeter of the diving area.
5. No hanging, sitting, or standing on the lifeline separating the swimming and diving areas is permitted.
6. The diver on the board may not proceed off the board until the previous diver has reached the ladder or completely cleared the diving well. This rule also pertains to water slides. Furthermore, persons on adjacent diving boards and slides may not proceed into the water at the same time. They must wait until the previous diver or slider has cleared the diving well. Lifeguards have the final authority for regulating diving and sliding to maintain safety.
7. Divers may only take one bounce before leaving the board, and divers may only progress in a forward direction towards the pool while on the board.
8. Backflips are allowable but inwards, cut-aways, gainers or other types of dives, which propel a diver towards the diving board, are prohibited. Keep your dives simple.
9. Do not dive off the side of a diving board. Dive straight ahead only.
10. Do not run and dive.
11. No one may be in the diving well to "catch" or assist others going off the diving board or exiting from a slide.
12. No items may be tossed or thrown to or towards divers going off the diving board, slides, or otherwise entering the diving well.
13. No flotation devices are permitted on the diving boards, slides, or in the diving well.
14. Slide only feet first.

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

X WADING POOL: SAFETY AND HEALTH REGULATIONS

1. **No lifeguard services are provided in the wading pool.**
2. Non-proficient swimmers left unattended in the wading pool shall be removed at once. A report in writing shall be directed to the CountrySide Proprietary Facilities Committee, who shall take whatever action deemed necessary in the interest of safety and welfare.
3. People who are not toilet trained or who are incontinent must either wear a swim diaper or a cloth diaper, rubber pants and a swimsuit to comply with health department requirements and to inhibit drain clogging from any materials. Disposable diapers are prohibited.
4. Toys and play equipment must be limited to non-breakable items.

XI FLOAT DAY POLICY

1. "Float day" is designated at all pools as follows: Cromwell: every day; Lindenwood: Wednesday only; and Parkway Friday only.
2. Floats are never allowed in the diving wells of the Cromwell and Lindenwood Pool.
3. Floats must be of a design for a single person. For rectangular floats, the length can be a maximum of seven feet and a maximum width of four feet. For inner tubes, the diameter can be a maximum of four feet.
4. The Pool Manager shall be the final authority for determining the acceptability of any float. Further, if in the view of the Pool Manager or his representative, an unsafe condition should occur from the presence of too many floats in the water at a given time, or unsafe use of a float, then the Pool Manager or his representative shall be free to call a break time in order to alleviate such unsafe condition.

XII VOLLEYBALL NET POLICY

The Parkway Pool volleyball net may be used Thursday evening during the hours of 5:00 p.m. to 7:00 p.m.

XIII LAP LANE/SWIM LESSON POLICY

All three pools currently have a dedicated lap lane established for use on a first come, first served basis. Additionally, all three pools will have an "on demand" lap lane available seven days a week. These lanes are for the sole use of those who wish to swim laps. Other swimmers shall respect lap-lane swimmers, should not interfere, and will be required to stay out of the lap lane during use. Lap lane swimmers should note, however, that scheduled swim lessons do occur in the lap lanes; copies of the schedules will be posted at each pool. If swim lessons interfere with a resident's request to use the existing lap lane, the lifeguards should be asked to set up the "on demand" extra lap lane at that pool. Swim lessons may only be performed by individuals authorized by the Association and the Waves Swim Team who are certified as lifeguards as provided by the Loudoun County Code.

XIV POOL RENTAL POLICY

Members in good standing who wish to rent the pool facility during non-operating hours should contact the Proprietary office at 703-430-0715 for a **Rental Information Sheet** and copy of the **Pool Rental Agreement**.

2026 COUNTRYSIDE POOL RULES, REGULATIONS AND POLICIES

Any Proprietary Member who has a covenant violation may be denied use of the pool facilities until such violation is abated. These restrictions apply to all residents of the Member's household.

XVI SUSPENSION DUE TO IMPROPER CONDUCT
